Thomas,

Thank you so much. You are correct, we would like to end this without further investigation or hearings.

Dear Mr. Adam,

Please let this email confirm our discussion of Friday, February 16th. We discussed your options regarding your Complaint. You advised you would rather not file a Reply nor would you like a Hearing on the matter. You expressed that you base your decision on lack of body cam video and as a result it's a he said she said situation. If I have misconstrued our discussion, please let me know ASAP.

Best regards,
