Subj: Transfer of Lease

I have recently been approached by Moro Management, Inc., (Pat Croce) and entered into a contract to purchase Half Shell Raw Bar, LLC and Turtle Kraals, LLC, provided it is approved by the Key West Bight Board and the City Council. Having reviewed the required conditions to assume the leases, I believe Mr. Croce meets all the requirements set by the lease.

It is requested that the Key West Bight Board approve change of ownership.

Thank You,

Gene Smith
