Subject: Monroe County Plates

Good Morning Mayor , Commissioners,

I was able to briefly watch the City Commission meeting last night. I just wanted to inform all of you that the State is looking at making all of the Monroe License plates Sunshine plates and removing the Monroe Plates. I did call the state this morning to confirm this but they didn't have a timeframe. In when making your decisions on the parking just take into consideration that maybe in the future all License plates may read Sunshine Plates.
