Please add the correspondence below, which I have sent to the mayor and the commissioners, to the agenda for tomorrow's meeting. Thank you.

As a concerned Key West Citizen, I no longer have much faith, given his recalcitrance to act at first and his initial recommendation of a law firm to help with the cruise ship ordinance, that City Attorney Smith the best interests of the citizens in mind on the cruise ship issue. It appears he or his supporters are now angling to give him the power to make that choice without commission review or public notice and comment. This is not the way democracy is meant to work, as you know. Please vote no on this resolution.
