To be included as part of the record for HARC Meeting on January 26, 2016

HARC Commissioners,

As proud homeowners of 805 United Street, we would like to formally request that you approve the new guidelines as proposed.

One of the many reasons we moved here was because of the historic district and over the course of the last few years we have observed numerous buildings going up that are better suited to Anywhere Florida or South Miami than they do in Key West's Historical District. One of the reasons given for the approval of those plans was that the guidelines were not clear. These new guidelines will hopefully allow you, as Commissioners, to better carry out the will and desire of the residents of this Community, which is to Keep Our Old Town Old and close any loopholes that are currently occurring because of unclear guidelines.

Key West is unique, our history is unique and the historical district should be our shining star...a big step would be to approve the new guidelines.

Thank you,

Jennifer and Gregory Lloyd
805 United Street

Subject: HARC guidelines

Dear Commissioners:

Please read our email into the record at the 1/26/16 HARC meeting. We own a home at 411 Elizabeth in Old Town. Jessica grew up in Key West and graduated from Key West High School. We love the historic character of Old Town and believe that HARC's mission should be to protect this wonderful place from being ruined by buildings that clash with the historic architecture here. We have reviewed the revised HARC guidelines being considered by the Commission. We believe that adoption of these guidelines will be an important step in the right direction. Accordingly, we heartily support the adoption of these guidelines.

Very truly yours,
Mike and Jessica Downer
