Karen,
Here is what we discussed on the phone yesterday about authorization/ verification.
We submitted a blanket authorization for the design team and it's a lil unique since its City owned and a leasehold.
I believe it is with Thaddeus currently.

Thanks.

Kevin,

Thanks for the information and documents. I have Mr. Cohen reviewing for completeness and will also review with legal prior to signature. It will not take long to complete the review.

Mr. Scholl,

Thanks for talking with me on the phone today.
As discussed, I am including the following attachments:

1. For signature- Verification form that you are the authorized representative of the property owner (City).

2. For signature- Authorization to allow Tropical Soup Corporation (design team) to move forward the applications through the necessary City approvals.
3. Recent Major Development Application submittal (Planning Dept-in house).

The authorization and verification forms are substantial duplicates of what was done in 2010 but since the names have changed slightly we tried to consolidate to cover all the design professional involved.

Please advise if you have any questions, desire modifications or additional documentation.

Thank you.
