Name Fritzie Estimond

Phone Number 305-294-4603

Email Fritzie@gaykeywestfl.com

Number of people dedicated to recycling 100%

### There are three components of waste and recycling at an event: Containers/Handling/Disposal

#### Containers - the receptacles needed in the event area. Options: (check one)

- ☒ 1-Community Services (CS) provides waste/recycling services and invoices Event accordingly. Event will provide a layout of the event location and estimated number of attendees. CS will use that information to determine the number of containers and CS staff needed for set up and support during the event.
- ☐ 2-Dumpster rental: Event will set up a temporary commercial account with Waste Management. Dumpsters can be used in conjunction with CS services- billed separately.
- ☐ 3-Event partners with a business that has containers and an active waste account. Requires approval

#### Handling -placement of containers, emptying during event, clean up after event (check one)

- ☒ 1-Community Services provides waste/recycling service and invoices Event accordingly.

#### Disposal-transportation of collected waste materials from the event to the City Transfer Station (check one)

- ☒ 1-Community Services provides services and invoices Event accordingly.
- ☐ 2-Larger events using dumpsters must set up a temporary commercial account with Waste Management (WM) to rent dumpsters. Once filled, WM removes the dumpsters and hauls waste to the transfer station. Event pays all costs associated with the temporary account with WM
- ☐ 3-Partnering with a business. Business must have current Waste Management (WM) account and use regularly scheduled services. Partner business must sign off and accept responsibility for all waste and agree to any overage fees on their monthly invoice. Must be approved.

The City of Key West is committed to increasing the collection of recyclable materials. As the Event Organizer, it is your responsibility to inform your vendors of your waste/recycling plan to insure they are participating.

### INITIALS REQUIRED

Excerpt from City Code Sec. 26-192. - Unreasonably excessive noise prohibited.

Noise limitations - Within a core commercial district as defined in this article, the maximum dBA and dBC sound levels permitted on any property located therein shall be as follows:

The average measurement taken between ten (10) and twenty (20) seconds shall be no greater than the maximum levels set out below. The measurement shall be taken from the sound source property line, or individual lease boundary in the case of property which has been subdivided by the execution of individual leases, of the noise generating property at a location that is closest to the complainant's property line:

- a. Eighty-five (85) dBA or ninety-four (94) dBC between the hours of 11:00 a.m. and 2:59 a.m.
- b. Seventy-five (75) dBA or eighty-four (84) dBC between the hours of 3:00 a.m. and 10:59 a.m.

In any residential or commercial district as defined in this article, a decibel meter shall be used for a complaint of unreasonable noise made at or within 100 feet of the property line of the sound source. The decibel reading shall be made at the location of the complaint. The investigating officer shall issue a citation for unreasonably excessive noise, unless in his judgment a warning is sufficient to cease the violation. There shall be no more than a total of one warning per offending person or establishment.

Events that expect to exceed decibel levels set for their area must get a Noise Exemption from the City Commission. Noise Exemptions cannot be issued for the same location within 60 days of the last noise exemption approval.

Describe the Potential Noise Sources: There will be two stages on either end of the street fair, if permitted.

One stage will host epformances from 4 pm until 9 pm, the other will feature DJ sets at the same times.

Do you wish to apply for a Noise Exemption?    Yes ☒ Need City Commission Approval    No ☐

INITIALS REQUIRED

- FE    1. Applicant(s) has reviewed the City Code regarding Noise limitations and understands that an exemption from the noise control ordinance requires approval from the City Commission. Applications for noise exemptions must be received 30 days before the event
