**RE: Support for Variance Request – George Beys 1707 Bertha Street, Key West, Florida**

To Whom It May Concern,

My name is Angela Tizzano, and I reside at 1702 Bertha Street in Key West, Florida, near the property located at 1707 Bertha Street.

I am submitting this letter in support of the variance application for 1707 Bertha Street. Having lived in the neighborhood and being familiar with the property, I do not believe the requested variance will create any negative impact on neighboring homes or the surrounding community.

In my opinion, the request is appropriate for the property and in line with the nature and character of the neighborhood. I support the owner's application and respectfully request that the Planning Board give favorable consideration to the variance request.

Thank you for your time and consideration.

Sincerely,

Angela Tizzano
