

STAFF REPORT

DATE: October 30, 2018

RE: **717 Galveston Lane (permit application # T2018-0090)**

FROM: Karen DeMaria, City of Key West Urban Forestry Manager

An application was received requesting the removal of **(1) Mango tree**. A site inspection was done and documented the following:

Tree Species: Mango (*Mangifera indica*)

10/25/2018

Diameter: 9.2"

Location: 60% (growing under the canopies of several other trees, close to property line wall)

Species: 100% (on protected tree list)

Condition: 40% (poor, some decay, old cuts, significant lean to main trunk/base area with regrowth)

Total Average Value = 66%

Value x Diameter = 6 replacement caliper inches

Recommendation: Recommend approval of the removal of one (1) Mango tree at 717 Galveston Lane to be replaced with 6 caliper inches of dicot or fruit trees from approved list, FL#1, to be planted on site.

Note: Application also requested approval to remove another tree on the site. Requested removal was for a Schefflera tree, a not protected tree (no permit required to remove).
