RECYCLING PLAN

We, the committee of the Marques Butler Memorial Softball Tournament, will be taking the following steps to ensure that recycling occurs during our two day event:

- Waste Management will be providing all necessary containers for trash and recyclables at both venues. We have been in touch with Greg Sullivan to ensure that we have enough containers for glass, plastics, aluminum and trash.
- The volunteers will be performing 30 minute checks on the containers to check for contamination and to remedy any situations that may arise.
- The Recycling Rangers will be volunteering their services to ensure that all participants and spectators will be aware of the recycling containers as well as checking for contamination.
- Prior to any bag of trash or recycling being removed from any container, a check of the bag will be performed to ensure that there was no contamination or to remedy any situation that arises.
- There will be recycling posters placed on each of the containers that is to be used for recycling specifying what is to be placed inside (eg, glass, plastic, etc.)
- There will be recycling posters placed on each of the venues that is selling food and beverages in order to inform the participants and spectators that we are recycling at the event.
