Dear Mr. Mayor and Commissioners:

Please vote **NO** on the proposed Sound Ordinance as amended. The proposed time restriction from 3:00 am until 4:00 pm everyday is too restrictive and will prohibit live music from being played in Key West during the day time at 75 A weight and 84 C weight in decibels measured at the property line. If the time restriction is not lifted by 10:00 am everyday, then as a result, many people **will** lose their jobs and the tourist economy as a whole will suffer greatly.

Sincerely,

X
