

COMMENDATION

It is with great pride that the City of Key West shall honor Erick Lowe as the winner of the Key West High School Academic Achievement Award. Erick is an articulate, perceptive and intelligent young man who is passionate about learning and participating in extracurricular activities. He is captain of the soccer team and a member of the swim team which requires that he run before school and swim afterschool and he still maintains a 4.6 weighted GPA in the most rigorous curriculum at KWHS. When Erick sees a need he is gifted in his ability to find a way to meet the need. This summer he organized a multi-faceted fundraiser for his soccer team which provided the money to allow low-income players the chance to travel to Puerto Rico and have the experience of a lifetime. He is the arms officer of Beta club, the vice president of Mu Alpha Theta and president of the Spanish club, a club he created this year. Following graduation Erik hopes to attend either Duke or Vanderbilt and pursue a degree in some type of physics or engineering field. The City of Key West is honored to have a student of such caliber and dedication as part of our community.

In recognition of this honor, the City of Key West hereby presents this Commendation to:

ERICK LOWE

WITNESS my hand and seal of the City of Key West, Florida, this 19th day of October, 2010.
