IN ACCORDANCE WITH THEIR RESPONSE TO REQUEST FOR PROPOSALS (RFP) NO. 005-18 AND ADDITIONAL NEGOTIATED TERMS; AUTHORIZING THE CITY MANAGER TO EXECUTE A CONTRACT IN SUBSTANTIAL CONFORMANCE WITH TERMS CONTAINED IN RFP 005-18, UPON CONSENT OF THE CITY ATTORNEY; AUTHORIZING NECESSARY BUDGET TRANSFER(S); PROVIDING FOR AN EFFECTIVE DATE

WHEREAS, one proposal was received in response to RFP 05-18, and after a presentation and discussion before the Bight Board in May 2018, and further negotiations with staff, the vendor agreed to a significant discount on the original base bid, along with alternates; and

WHEREAS, at its meeting of June 13, 2018, the Key West Bight Management District Board considered the negotiated proposal, and recommended that the CRA award a contract to Brandano Displays, Inc.; and

NOW, THEREFORE, BE IT RESOLVED BY THE CAROLINE STREET CORRIDOR AND BAHAMA VILLAGE COMMUNITY REDEVELOPMENT AGENCY, AS FOLLOWS:

Section 1: That the City Manager is authorized to enter into a three-year contract with Brandano Displays, Inc. in a first-year amount not to exceed \$59,827.00, with CPI adjustments and additive or deductive alternates to be determined for the two following years, in accordance with terms and conditions contained in Request for Proposal # 005-18 and amendments thereto, and with the CRA's final approved budget or approved budget amendment.

ATTEST:

CHERYL SMITH, CITY CLERK

Staff evaluated the sole respondent, their product, pricing and creativity and determined that a rebid of the project would not result in a better outcome.

FINANCIAL IMPACT:

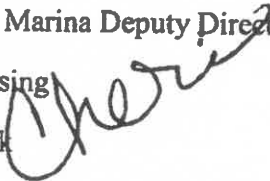

Typically, payment to the vendor occurs twice, once in the current budget year and once in the next budget year (after October 1). Seaport has already utilized the current years budgeted amount for the Holiday Lighting event. A budget transfer from the Key West Historic Seaport Reserves to account 405-7504-575-4800 Promotional Expenses in the amount of \$30,000 will be required to cover the first payment for the upcoming event. The second payment will come from next year's budget.

RECOMMENDATION:

Key West Bight Management District Board recommends approving the sole respondent, Brandano Displays, Inc., for the Holiday Lighting – Key West Historic Seaport and authorizing the City Manager to execute a three (3) year contract, subject to City Attorney review. Also authorizing the necessary budget transfer. The first-year award amount is \$59,827 with adjustments for CPI starting the second year along with the Bight Boards ability to add and/or deduct from previous years display in accordance with the CRA's final approved budget or approved budget amendment.

City Management is recommending against the increase, Management feels in the current financial situation caused by Hurricane Irma, adding an additional \$20,000 to the current Holiday Lighting budget is not an appropriate use of funds. Management recommends that the budget remain at the current \$40,000 limit.

PLAN AND APPROACH

Plan and Approach for the Design, Manufacture, Installation and Maintenance of Holiday Decor and Lighting for the Key West Historic Seaport:

General Information:

Our plan is to provide the City of Key West with a "Must See" Holiday lighting and Decor program designed with complementing nautical themes reflective of the community history and the branding of Old Historic Seaport. Being a tourist town, we have a new audience almost every night of the Holiday season. It is paramount that every display and feature is lighted and operating as designed at every location each night.

Our Proposal provides a response to the requested "base" program as well as a selection of fresh alternative designs we feel will be entertaining and exciting both day and night for guests and residents.

Decor will include a combination of lighted Pole trim, Architectural outlines, Tree Lighting, Lighted Garlands, Animation features and Nautical themed Sculptures. Sculpture designs can change from season to season keeping the event "fresh". The proposed selection can be substituted with designs of comparable value. We will provide a list of available designs each August 1 of the contract.

All components are provided with itemized pricing for your convenience. All pricing includes rental of the product, installation, maintenance while installed, dismantling, transportation and storage. All displays are manufactured in house and feature the most current LED and electrical technology available.
