Urban Forester Comments:

638 United Street: This project should not move forward at this time. No one involved with this project has discussed with the urban forester the existing trees on the property. Protected trees are located on the property within the proposed work area and the last plan reviewed did not contain information needed to properly review.

618 Catholic Lane Easement: No Comment.

1103-1107 Simonton Street Conditional Use: No comment. No regulated trees are located on the property.

1022 Roberts Lane Easement: No Comment.

Sincerely,

Karen
