

**Historic Architectural Review Commission
Staff Report for Item 2**

To: Chairman Bryan Green and Historic Architectural Review
Commission Members

From: Enid Torregrosa, MSHP
Historic Preservation Planner

Meeting Date: February 26, 2019

Applicant: T. Seth Neal, Architect

Application Number: H2018-0025

Address: #831 Georgia Street

Description of Work:

New house on vacant lot with pool and site improvements. New window and doors for accessory structure.

Site Facts:

The site in question is located on the northeast corner of Georgia and Olivia Streets. The lot has a cmu garage, which extends to 825 Georgia Street, and is located at the rear yard over both parcels. No evidence of any principal structure developed in the plan was found in the Sanborn maps.

In 2018, the city recognized one unit on the lot through a Beneficial Use Allocation System. The Tree Commission approved the relocation, removals, replanting, and replacement of trees in the site during their last public meeting held on February 12.

Guidelines Cited on Review:

- New construction (pages 38a-38q), specifically guidelines 1, 2, 3, 6, 8, 9, 11, 12, 14, 17, 18, 22, 23, 24 and 25.
- Decks, pools (pages 39-40), specifically guidelines 3 and 4 of page 40, pools.

Staff Analysis

This staff report is for the review of a new proposal for a one and a half and two- story single-family frame house to be located on a vacant corner lot in the area known as the Meadows. Predominant historic adjacent context are two-story frame homes, but the immediate adjacent structure to the north side is a one-story cmu house. Corner houses in the area are two-story structures.

The proposed design, based on traditional architecture, does not mimic any specific structure found in the district. Moreover, it takes cues from its immediate context, the proposed design recognizes the corner location by creating a wrap porch on its first floor, the massing of the structure is broken by the use of different volumes and roofs, and the scheme has transitions in height as it progresses towards the rear. The proportions, building form, rhythms of fenestrations, roof forms, textures, and materials are compatible with similar typology found in the surrounding urban context. Proposed finishes include hardi board for exterior walls, wood elements for the front and side wrap porch, 6 over 6 impact resistant clear glass windows, shutters, and metal v-crimp panels for the roofing system.

For the garage, the proposed design includes the installation of one impact window on the south elevation and folding impact doors on its west elevation. The accessory structure will be converted into a pool cabana.

The plan also calls for one pool in the rear yard and behind the house. The pool will have a privacy wall facing Olivia Street. The design also includes a front and front side yard 4' tall wood picket fence, which reduce its height to two feet on the corner, and one car driveway on the south side of the site.

Consistency with Guidelines

It is staff's opinion that the proposed design meets the cited guidelines. The new structure will not outsize the majority of surrounding structures as it has been designed taking into consideration actual setbacks and heights of all surrounding houses on the proximity. The proposed building form, the transition of heights, which helps reducing the mass of the structure, and architectural vocabulary used, makes this new design one harmonious and compatible to its urban context.

DETAILED PROJECT DESCRIPTION OF DEMOLITION

Removal of existing low slope, shed roof and low curve brick/block wall from existing accessory structure. The portions to be removed are prior additions to the structure.

CRITERIA FOR DEMOLITION OF CONTRIBUTING OR HISTORIC STRUCTURES:

Before any Certificate of Appropriateness may be issued for a demolition request, the Historic Architectural Review Commission must find that the following requirements are met (please review and comment on each criterion that applies);

- (1) If the subject of the application is a contributing or historic building or structure, then it should not be demolished unless its condition is irrevocably compromised by extreme deterioration or it does not meet any of the following criteria:

(a) The existing condition of the building or structure is irrevocably compromised by extreme deterioration.

The portion of the accessory structure to be removed is a non-historic addition. The structure has been compromised over many additions.

- (2) Or explain how the building or structure meets the criteria below:

(a) Embodies no distinctive characteristics of a type, period, or method of construction of aesthetic or historic significance in the city and is not a significant and distinguishable building entity whose components may lack individual distinction.

The portion to be removed is a shed roof, low slope that is non-historic and has been added. Also a low curve brick wall that is not historic

Nothing in this application is intended to alter the authority of the Building Official to condemn for demolition dangerous buildings, as provided in Section 102-218 of the Land Development Regulations and Chapter 14 of the Code of Ordinances.

(b) Is not specifically associated with events that have made a significant contribution to local, state, or national history.

No

(c) Has no significant character, interest, or value as part of the development, heritage, or cultural characteristics of the city, state or nation, and is not associated with the life of a person significant in the past.

No

(d) Is not the site of a historic event with significant effect upon society.

No

(e) Does not exemplify the cultural, political, economic, social, or historic heritage of the city.

No

(f) Does not portray the environment in an era of history characterized by a distinctive architectural style.

No

(g) If a part of or related to a square, park, or other distinctive area, nevertheless should not be developed or preserved according to a plan based on the area's historic, cultural, natural, or architectural motif.

No

(h) Does not have a unique location or singular physical characteristic which represents an established and familiar visual feature of its neighborhood or of the city, and does not exemplify the best remaining architectural type in a neighborhood.

Nothing in this application is intended to alter the authority of the Building Official to condemn for demolition dangerous buildings, as provided in Section 102-218 of the Land Development Regulations and Chapter 14 of the Code of Ordinances.

No

(i) Has not yielded, and is not likely to yield, information important in history.

No

CRITERIA FOR DEMOLITION OF NON-CONTRIBUTING OR NON-HISTORIC STRUCTURES:

The following criteria will also be reviewed by the Historic Architectural Review Commission for proposed demolitions. The Commission shall not issue a Certificate of Appropriateness that would result in the following conditions (please review and comment on each criterion that applies);

(1) Removing buildings or structures that are important in defining the overall historic character of a district or neighborhood so that the character is diminished.

Non historic & does not exemplify the historic character of the neighborhood or district.

(2) Removing historic buildings or structures and thus destroying the historic relationship between buildings or structures and open space.

Non historic portion to be removed

(3) Removing an historic building or structure in a complex; or removing a building facade; or removing a significant later addition that is important in defining the historic character of a site or the surrounding district or neighborhood.

No

(4) Removing buildings or structures that would otherwise qualify as contributing.

**DECLARATION OF PARTY WALL AND
RECIPROCAL EASEMENT AGREEMENT**

THIS AGREEMENT is made on this 51 day of December, 2018, by and between the parties, 825 GEORGIA STREET, LLC, a Florida limited liability company (hereinafter "825 Georgia"), and WALER MORRIS JUSTICE, II and BETINA JUSTICE (hereinafter "Justice") (collectively referred to as the "Parties" and sometimes referred to as "Owner, Owners or owner").

RECITALS

WHEREAS, Justice is the owner of real property located at 825 Georgia Street, Key West, Florida, which property is more particularly described as follows:

Lot 3, of Square Five (5), of Tract Seven (7), of the City of Key West, County of Monroe, State of Florida, according to a Plat drawn by T.J. Ashe, dated August 25th, 1886, as recorded in Plat Book No. 1, Page 22, of the Monroe County, Florida Public Records

(hereinafter "825 Georgia"); and

WHEREAS, 825 Georgia is the owner of real property located at 831 Georgia Street, Key West, Florida, which property is more particularly described as follows:

Lot 4, of Square Five (5), of Tract Seven (7), of the City of Key West, County of Monroe, State of Florida, according to a Plat drawn by T.J. Ashe, dated August 25th, 1886, as recorded in Plat Book No. 1, Page 22, of the Monroe County, Florida Public Records

(hereinafter "831 Georgia"); and

WHEREAS, the cottage which traverses over the rear property line of 825 Georgia and 831 Georgia as shown on the survey attached hereto as Exhibit A ("the Cottage") has a common party wall which runs along the boundary line bisecting 825 Georgia and 831 Georgia (the "Party Wall"); and

WHEREAS, the parties desire to enter into this Agreement for the purposes of establishing the rights and responsibilities with respect to the Cottage including, but not limited to, the common party wall, common structures or utilities, if any, and easements for access, utilities and repair, and maintenance, among other things; and

NOW, THEREFORE, in consideration of the mutual promises and conditions contained herein

and other good and valuable consideration, the Parties, intend to be legally bound hereby, and agree as follows:

IT IS HEREBY AGREED AS FOLLOWS:

1. RECITALS. The above Recitals are true and correct, and are incorporated into this Agreement by reference.

2. RECORDED DOCUMENT. The parties agree that this document shall be recorded in the Public Records of Monroe County, Florida, and shall have a perpetual existence, unless terminated pursuant to this Agreement. Both parties intend that this Agreement shall run with the land, and shall inure to both parties' successors in title, until terminated as provided herein.

3. DECLARATION OF PARTY WALL. It is hereby declared that the Party Wall constructed along the common boundary between 825 Georgia and 831 Georgia which divides the Cottage, as more particularly reflected in the survey attached hereto as Exhibit B, shall be legal deemed a common party wall in all respects and shall be subject to the covenants, conditions and restrictions set forth in this Declaration. Nothing contained in in this Declaration will operate to convey to any owner the fee to any part of the subject property owned by the other owner.

4. USE OF PARTY WALL. Each owner shall have the full right to use the Party Wall as support for the Cottage. Further, each owner shall have the right to use the Party Wall for the insertion or attachment of beams and other structural finishing materials, except as otherwise provided herein. However, any use of the Party Wall by an owner must not in any way injure or impair the adjoining owner's property and must not impair the Party Wall's benefits and support to which the adjoining owner's property is entitled, unless the other owner consents in writing to such use and said use is consistent with the building codes and requirements of the City of Key West. An owner may not be permitted to place any windows or doors in the Party Wall.

5. MAINTENANCE OF PARTY WALL. When the need arises for repair or maintenance of any part of the Party Wall, the repair costs will be divided equally between the owners.

6. EASEMENT FOR COMMON PARTY WALL AND COMMON UTILITIES. The Parties and all subsequent owners, including contractors, licensees and/or agents shall have a perpetual easement for reasonable access, upon reasonable notice, in that part of the property of the other owner on which the Party Wall or any common utilities are located, as may be necessary or desirable to carry out the purpose and intent of this Agreement.

7. DAMAGE AND DESTRUCTION TO PARTY WALL OR COMMON UTILITIES.

a. In the event of damage or destruction of the Party Wall or any common utilities from any causes, other than the negligence of either Owner, or as otherwise provided in

this Agreement, the Parties shall at joint and equal expense, repair or rebuild the Party Wall and any common utilities on the same spot and on the same line, and be of the same size, and of the same or similar material and of like quality with the present Party Wall or any present common utilities. The parties agree that repairs and reconstruction of the Party Wall and any common utilities shall be undertaken wherever a condition exists which may result in damage or injury to any person or property if repair or reconstruction work is not undertaken. Either owner, upon discovering the possibility of damage or destruction, shall notify the other of the nature of the damage, the work required to remedy the situation, and the estimated cost of the repair or reconstruction. The other owner shall have twenty (20) days from the receipt of the notice to either object to the repairs or reconstruction or to pay its share of the cost of the work. However, in the event of an emergency (i.e., a condition that is immediately threatening to the safety of persons or property), the other owner shall have three (3) days from the receipt of the notice, which notice shall state that an emergency exists, either to object to the repairs or reconstruction or to pay the owner's share of the costs of the work. To the extent that one owner's portion of the Party Wall is damaged (i.e., such as the interior sheetrock, paint, wallpaper or trim attached to the Party Wall) and the other owner's portion is not damaged, then the owner of the damaged portion of the Party Wall shall repair their portion of the Party Wall at its own cost and expense.

b. In the event of damage or destruction of the Party Wall which cannot be repaired independently which damage results from any causes, other than the negligence of either owner, the then owners shall, at joint and equal expense, repair or rebuild the Party Wall. Each owner shall be solely responsible for any repairs, maintenance or restoration, and cost thereof, to its own property and all other improvements and structures which do not involve the Party Wall.

c. If either owner's negligence shall cause damage to or destruction of the Party Wall, the negligent owner shall bear the entire cost of repair or reconstruction.

d. If either owner shall neglect or refuse to pay the owner's share, or all of the cost in case of negligence, the other owner may have the Party Wall repaired or restored and shall be entitled to record a claim of lien on the property of the owner failing to pay for the amount of such defaulting owner's share of the repair or replacement cost or may elect to pursue any other legal or equitable remedies available under Florida law.

8. RECONSTRUCTION OF COTTAGE STRUCTURE. If either owner desires to reconstruct all or part of the owner's portion of the Cottage lying on the owner's property, or do anything which will impact the Party Wall, or if one owner desires to undertake any construction activity which requires a building permit to be signed by both owners, such owner shall notify the other owner in writing prior to submitting its permit application, and shall include the proposed plans for reconstruction in such

written notice. Each owner agrees that it shall pay any and all costs of its own reconstruction. If applicable law or the City of Key West requires the joinder of both owners in the application for any permit, the owner seeking to permit any reconstruction must obtain the approval and joinder of the other owner, which approval must not be unreasonably withheld. If the other owner does not agree to join in the permit, then the owners agree to submit the dispute to mediation within thirty (30) days of the initial written notification. The cost of the mediation shall be split evenly between the owners. If an agreement cannot be reached in mediation, either party may file an action in Monroe County Circuit Court having jurisdiction. The prevailing party shall be entitled to reasonable attorney fees and costs.

9. EXTENSION OF PARTY WALL. Neither owner of 825 Georgia nor 831 Georgia may extend the Party Wall either horizontally or vertically or make an extension of a lesser or greater thickness than that of the original Party Wall, without the written consent of the other owner; it being the intention that the Party Wall shall at all times remain in the same position as erected.

10. EXTERIOR DECORATION. The exterior of the Cottage shall be painted with a uniform color. Should the owners wish to modify the existing color or decoration, the owners must mutually agree in writing to such changes.

11. INSURANCE. Each owner shall be required to obtain and maintain general liability and fire hazard insurance for their portion of the Cottage on their respective side of the Party Wall in an amount equal to one hundred percent (100%) of the full replacement value thereof and must, at a minimum, self-insure against windstorm damage.

12. TERMINATION OF AGREEMENT. The Parties agree that this Agreement shall be perpetual and run with the land unless terminated in writing and executed by the Parties, or their/his/her/its successors, heirs and/or assigns.

13. INDEMNIFICATION. In consideration of the rights and privileges of this Agreement, the Parties agree to indemnify each other from any and all liability associated with the use of the property on their side of the Party Wall including use by their respective guests, invitees and licensees.

14. EFFECT OF DISPUTES. CONDITION PRECEDENT TO ACTION AND ATTORNEY'S FEES. Any party to this Agreement who challenges the effect or validity of a material term of this Agreement in Court shall, if such challenge is unsuccessful, be liable to every other party hereto for the amount of reasonable attorneys' fees and costs incurred by each other party in defending against or answering such challenge. For purposes of this provision, a challenge shall be treated as unsuccessful if the challenge to the effect or validity of such term by the challenging party is denied by the Court, or if such challenge fails for want of prosecution, or is dismissed with prejudice for any reason, or is settled by the parties in a manner which denies the challenging party the relief sought.

15. AMENDMENT. This Party Wall Agreement may only be amended in a writing signed

by all parties hereto, or their successors in title.

16. SEVERABILITY. If any provision of this Party Wall Agreement is held to be illegal, invalid or unenforceable under present or future laws effective during the term hereof, such provision shall be fully severable, this Agreement shall be construed and enforced as if such illegal, invalid or unenforceable provision had never comprised a part hereof and the remaining provisions of this Agreement shall remain in full force and effect and shall not be affected by the illegal, invalid or unenforceable provision or by its severance therefrom. Furthermore, in lieu of such illegal, invalid or unenforceable provision there shall be added automatically as a part of this Agreement a provision as similar in terms to such illegal, invalid or unenforceable provision as may be possible and be legal, valid and enforceable.

17. WAIVER. Any forbearance, failure or delay by any of the parties to this Party Wall Agreement to exercise any rights, powers or remedies hereunder shall not be deemed to be a waiver of such rights, powers or remedies, any single or partial exercise of any right, power or remedy hereunder shall not preclude the further exercise hereof; and every right, power or remedy of either party shall continue in full force and effect until such right, power, or remedy is specifically waived by an instrument in writing executed by such party.

18. GOVERNING LAW AND VENUE. This Party Wall Agreement and all of its terms and conditions shall be governed by and interpreted under the laws of the State of Florida. Venue for any litigation brought or held because of this Agreement, to enforce or interpret the terms and conditions stated herein, shall be in Key West, Monroe County, Florida.

19. COMPLETE AGREEMENT. This Agreement contains the entire understandings of the parties with respect to its subject matter. There are no restrictions, promises, warranties, covenants or undertakings other than as expressly set forth herein. This Agreement supersedes all prior agreements (oral and written) and understandings between the parties relative to the matters addressed herein.

20. INTERPRETATION. Each of the parties has participated jointly in the negotiation and drafting of this Party Wall Agreement. In the event an ambiguity or question of intent or interpretation arises, this Party Wall Agreement shall be construed as if drafted jointly by the parties, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any of the provisions of this Agreement.

RE: Beneficial Use Determination for Vacant Georgia Street (RE #00025060-000100, AK #9104341)

Dear Mr. Oropeza,

This letter is in response to your request for a beneficial use determination for the property located at Vacant Georgia Street, on the northeast corner of Georgia Street and Olivia Street. The subject property is located within the Historic Medium Density Residential (HMDR) zoning district. Pursuant to Section 108-999, neither provisions of the comprehensive plan nor the land development regulations shall deprive a property owner of all reasonable economic use of a parcel of real property which is a lot or parcel of record as of the date of adoption of the comprehensive plan.

The property at Vacant Georgia Street is one (1) platted lot identified as *lot 4, in square 5* with 43.1' of frontage on Georgia Street and 90' of frontage on Olivia Street. The lot is 3,879-square-feet, less than the minimum lot size of 4,000-square-feet for its zoning district. See Section 122-31 – *Noncomplying lots or building sites of record* and 122-1079 – *Lots of record less than minimum size* of the Land Development Regulations. The lot has its own parcel ID number and property record card.

Except for an accessory structure (utility building) being used by a primary structure at lot 3, lot 4 is vacant. There were no dwelling units located anywhere on the parcel on or around April of 2010. Although both lot 3 and lot 4 have had common ownership since before 1974, each was a parcel of record as of the date of the adoption of the Comprehensive Plan in August of 1993. See Section 108-999 – *Procedures for ensuring beneficial use of private property*. The record is clear in indicating an intent to treat the lots as separate lots.

It has been determined that the property at Vacant Georgia Street is entitled to one (1) beneficial use BPAS (Building Permit Allocation System) unit. Per Section 108-999 (b) (1), the granted permit for development shall be deducted from the pre-existing reserve units/beneficial use pool. Beneficial use allocations shall be valid until such time that the owner chooses to obtain building permits, so long that no changes are made to the configuration or size of the lot or parcel that affect the conditions in which the beneficial use allocation is granted.

Section 108-999 (c) states, "Development approved pursuant to beneficial use determination shall be consistent with all other objectives and policies of the Comprehensive Plan and the Land Development Regulations unless specifically exempted from such requirements in the final beneficial use determination." See Section 122-596 through 122-600 for information and dimensional requirements for the HMDR zoning district.

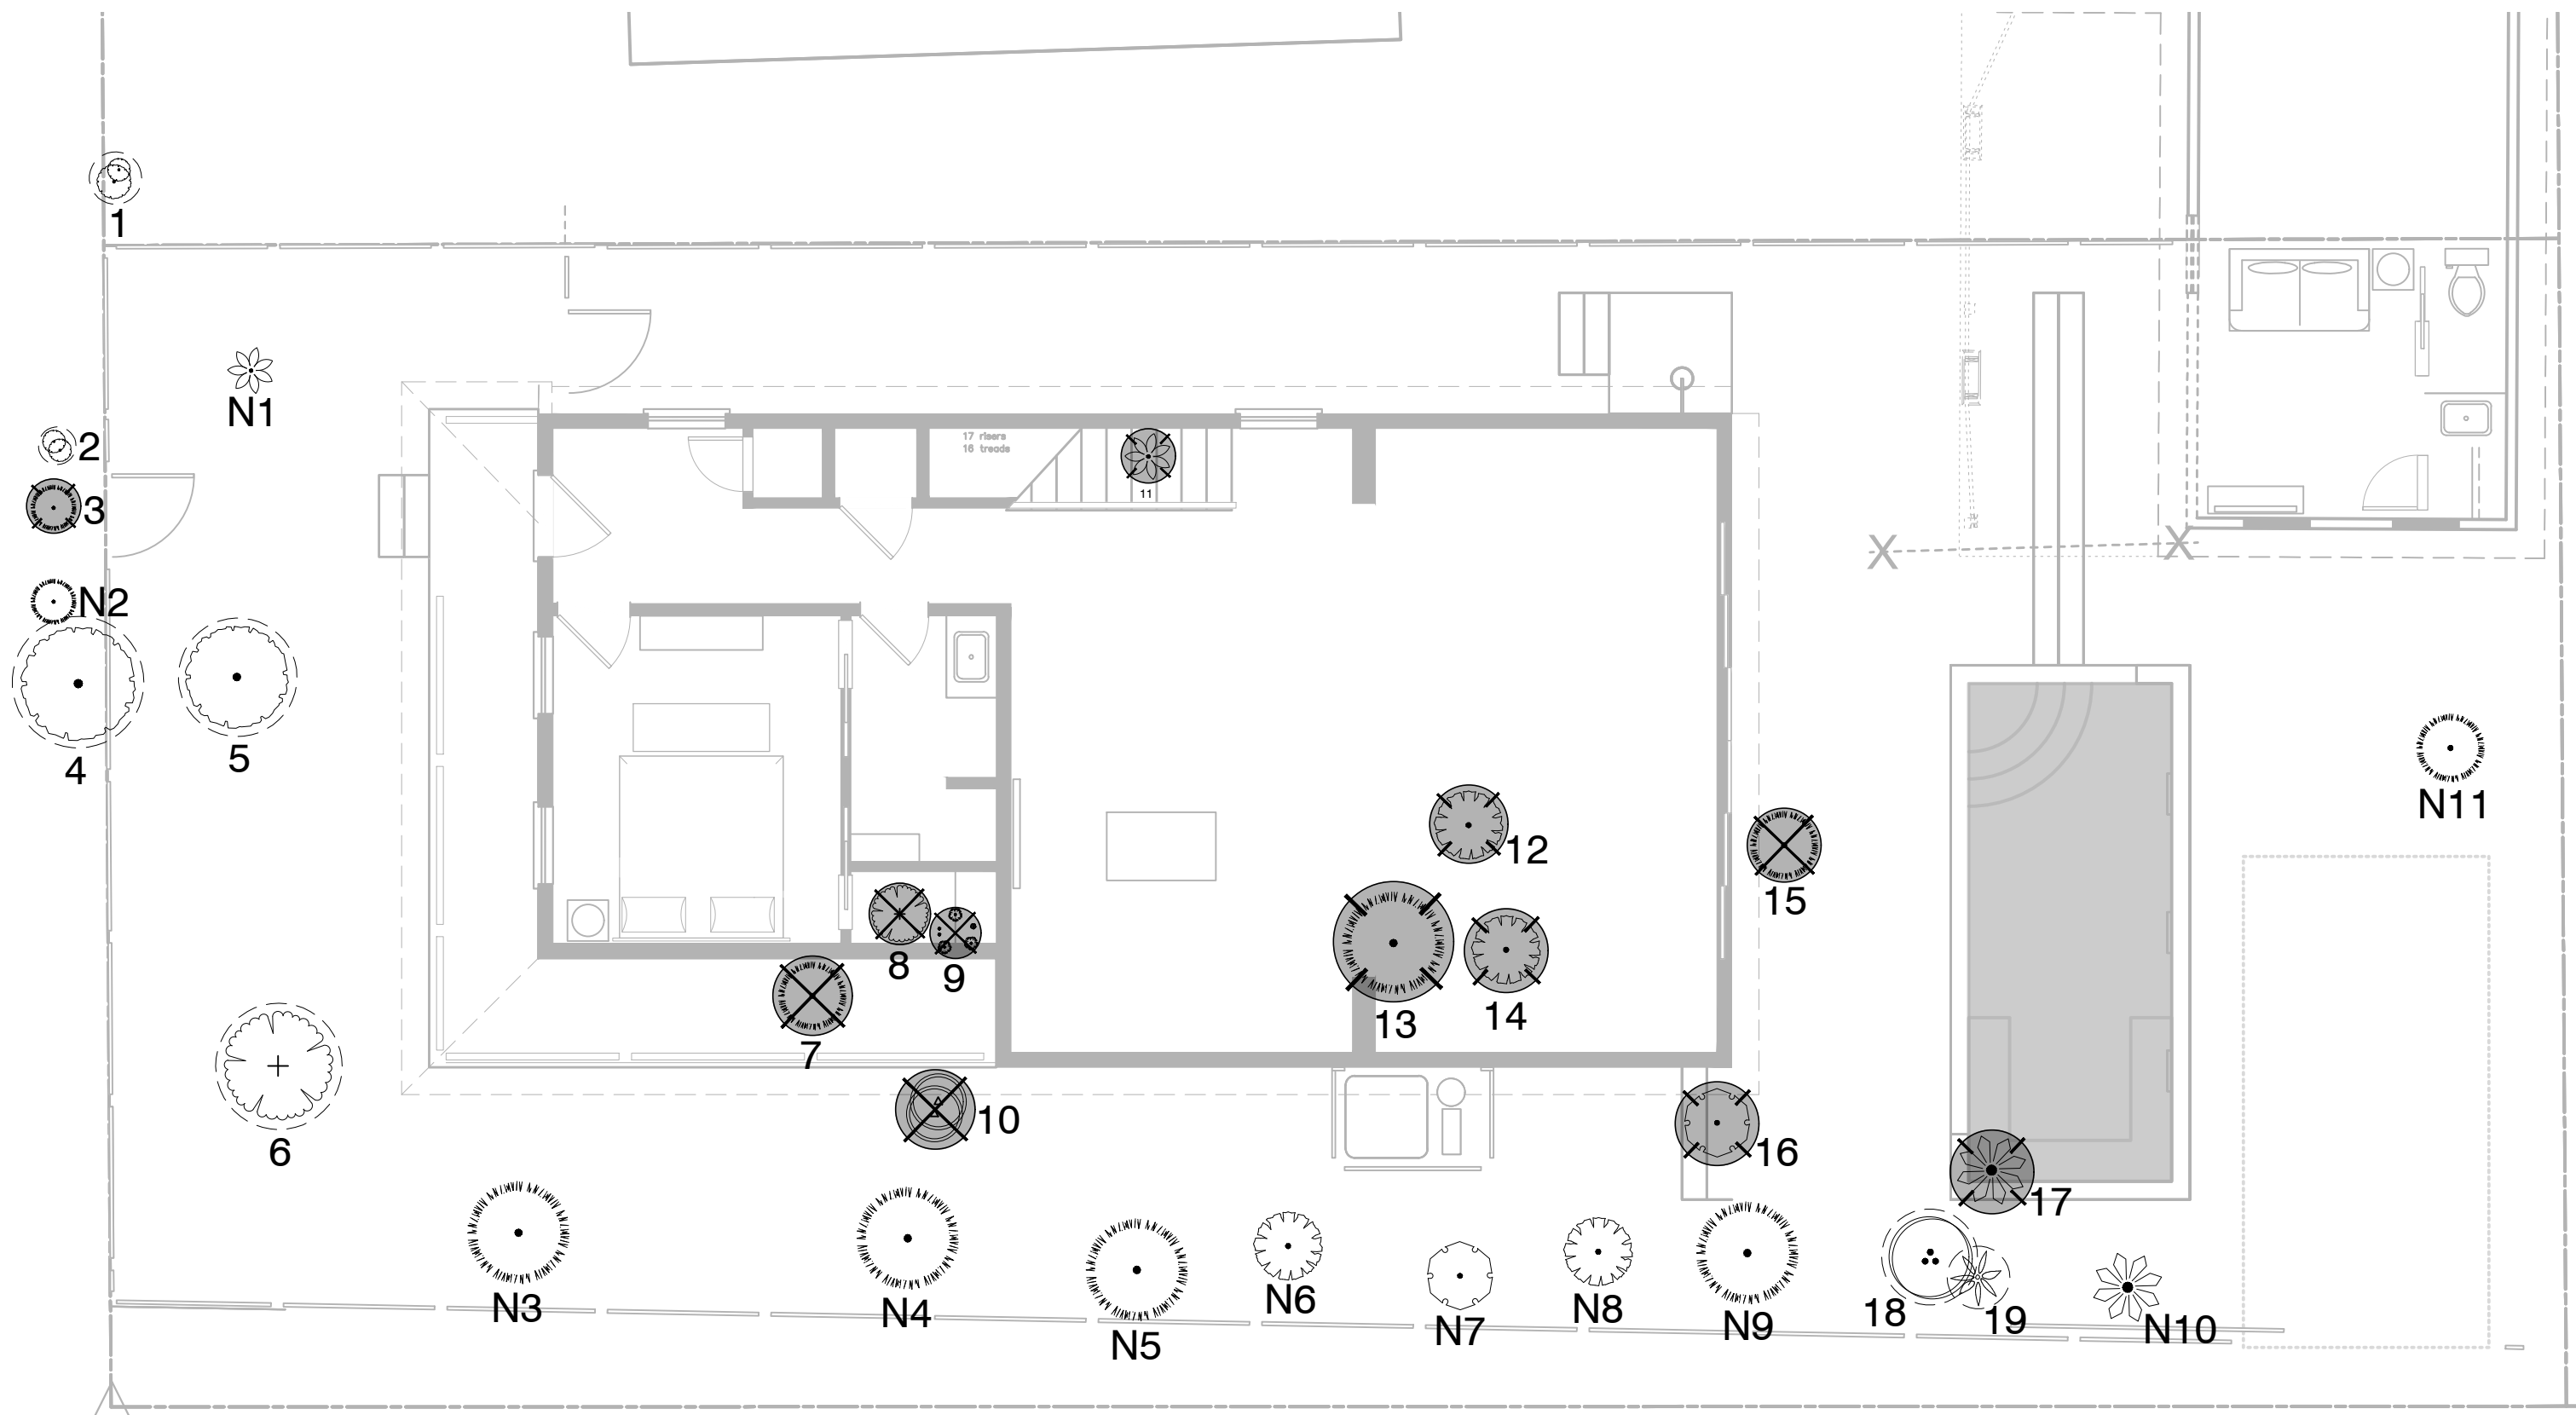

If you have any questions or concerns, or require additional information, please let us know.

Sincerely,

A handwritten signature in black ink that reads "Vanessa Sellers". The signature is fluid and cursive, with the first name "Vanessa" being more prominent than the last name "Sellers".
