

CONSTRUCTION WORK ORDER

Contract Title: **General Utility and Infrastructure Services Contract**
Work Order Title: **Contact Basin Leak Repair**

PROJECT NUMBER: ITB 21-007

This Work Order is an authorization to proceed with the work described herein under the *GENERAL UTILITIES AND INFRASTRUCTURE SERVICES CONTRACT; ITB 21-007* between the City of Key West and Charley Toppino & Sons Inc. (Contractor) dated June 30, 2021 approved by City Commission per Resolution 21-124. All work shall be executed under the provisions of the contract except as adjusted within this work order.

The Scope of Work is described as follows:

Provide all material, labor and equipment to repair leaks as described in the plans designed by Perez Engineering & Development, Inc., for the Richard A. Heyman Wastewater Treatment Plant Contact Basin.

CONTRACTOR'S DECLARATION AND UNDERSTANDING

The contractor declares that he has carefully examined the Contract Documents, including this Work Order, that he has personally inspected the potential sites and the overall project area in general, that he has satisfied himself as to the quantities that may be involved, including materials and equipment, and conditions of work that may be involved, including the fact that the description of the quantities of work and materials, as included herein, is brief and is intended only to indicate that general nature of the work and to identify the said quantities with the detailed requirements of the Contract Documents, and that this Work Order is made according to the provisions and under the terms of the *GENERAL UTILITIES AND INFRASTRUCTURE SERVICES CONTRACT; ITB 21-007* between the City of Key West and Charley Toppino & Sons Inc. (Contractor) dated June 30, 2021 approved by City Commission per Resolution 21-124 which this Work Order is hereby made a part of.

START OF CONSTRUCTION AND CONTRACT COMPLETION TIME

The contractor further agrees to begin work as directed by city staff and to complete the construction, in all respects for this work order in a timely manner. The contractor acknowledges that due to the nature of the leaks, time is of the essence.

UNIT PRICE ITEMS

The contractor further proposes to accept as full payment for the work proposed herein the amounts computed under the provisions of the Contract Documents and based on the following unit price amounts, it being expressly understood that the unit prices are independent of the exact quantities involved. Unit prices for items already established in the *GENERAL UTILITIES AND INFRASTRUCTURE SERVICES CONTRACT; ITB 21-007* shall be identical to those provided in this Work Order.

Payment for materials and equipment authorized by the ENGINEER in a written Work Order but not listed in the Proposal will be provided at the suppliers' invoice plus shipping plus 15 % for overhead and profit.

ACCEPTANCE

By signature, the parties each accept the provisions of this work order and it authorizes Charley Toppino & Sons Inc. to proceed at the direction of the City's representative in accordance with the General Utilities and infrastructure Services Contract; ITB 21-007 between the City of Key West and Charley Toppino & Sons Inc. dated June 30, 2021.
