CHRONOLOGY			
CHRONOLOGY TYPE	STAFF NAME	ACTION DATE	COMPLETION DATE
NOTICE OF VIOLATION	Igor Timus	9/27/2021	
PERSONAL CONTACT	Ashley Dixon	10/14/2021	
PHONE CALL	Leo Slection	10/7/2021	
			Notes: Amy Andrade came into City Hall to talk with Director Jim, but he was out of the office at the moment. Amy wanted information about the permits and what was going on with the red tag on her house. The code officer was out of the building at the time as well. Marybeth from building spoke to Amy about Luigi and the building permits. Amy feels as though she has been lied to from Luigi about the permits. Amy asked Marybeth about the process of changing the contractors and after that Amy decided she didn't need to talk to Jim anymore.  I spoke to Luigi Vaccaro owner of Key West Trim Works. He informed me that he will come to City Hall the week of 10/5-10/8 and begin the after fact permit process.

VIOLATIONS					
VIOLATION TYPE	USER NAME	OBSERVED DATE	CORRECTED DATE	LOCATION	REMARKS
					(a) Building permit required; display. Building permits shall be procured from the chief building official before performance of any work or construction of any character, whether permanent or temporary. Within 48 hours after it is issued, the applicant must cause the permit to be posted and displayed at the work site so that it is readily visible from an adjacent public street throughout the term of the work. No work shall be performed unless a proper permit is so posted. Inspections may not be performed if the permit is not posted and address numbers are not a minimum of 4" high and clearly visible from the street. Exception 1: Total contract price less than \$1,000.00 per FBC Sect. 105.2.2 Minor Repairs. Ordinary minor repairs may be made with the approval of the chief building official without a building permit, provided the repairs do not include the cutting away of any wall, partition or portion thereof, the removal or cutting of any structural beam or load-bearing support, or the removal or change of any required means of egress, or rearrangements of parts of a structure

Sec. 14-37 Building permits; professional plans; display of permits; address; exceptions	Igor Timus	9/27/2021				affecting the egress requirements; additionally, ordinary minor repairs shall not include addition to, alteration of, replacement or relocation of any standpipe, water supply, sewer, drainage, drain leader, gas, soil, waste, vent or similar piping, electrical circuit wiring systems or mechanical equipment or other work affecting public health or general safety, and such repairs shall not violate any of the provisions of the technical codes. Any new electrical circuits or wiring will require a permit. Any new plumbing fixtures or piping will require a permit. Exception 2: Painting, both interior and exterior, residential or commercial does not require a permit. Tile repair or installation, floor covering, including carpet, laminate, resilient, and wood, both residential and commercial, do not require a permit. Work that falls under the \$1,000.00 threshold for a building permit may be performed only by the property owner or a licensed contractor. Unlicensed workers, including 'handymen' are not allowed to conduct any type of work to a residential or commercial structure. (b) Professional plans required. Professional plans shall be required as follows: (1) Plans for work requiring a building permit shall be submitted in multiple sets, as determined by the chief building official, to the chief building official and shall be prepared by, and bear the seal of, an architect or structural engineer duly registered in the state, except if the work is by the owner-occupant upon a one- or two-family residence, and the work is cosmetic, nonstructural repair, alteration or addition. (2) Notwithstanding subsection (b)(1) of this
