Preservation Expert
RJ HEISENBOTTLE

This is THE Public Square

Where the “Fun Begins”

A Nightly Ritual

A storied history

1921

1958

1960

1970

1980

1999

Today

Tomorrow

Approach

Collective Vision

Building on Your Success

Key Themes from the City-Led Engagement Process

- **Make this a place that is true to Key West**
- **Celebrate the great qualities that already exist in Mallory Square**
- **Design for Human Comfort**
- **Balance active and passive programming**
- **Increase Connectivity along the Waterfront**

A Collective Vision

Beyond the Sunset

CATALYZE

Build on the draw of
the plaza

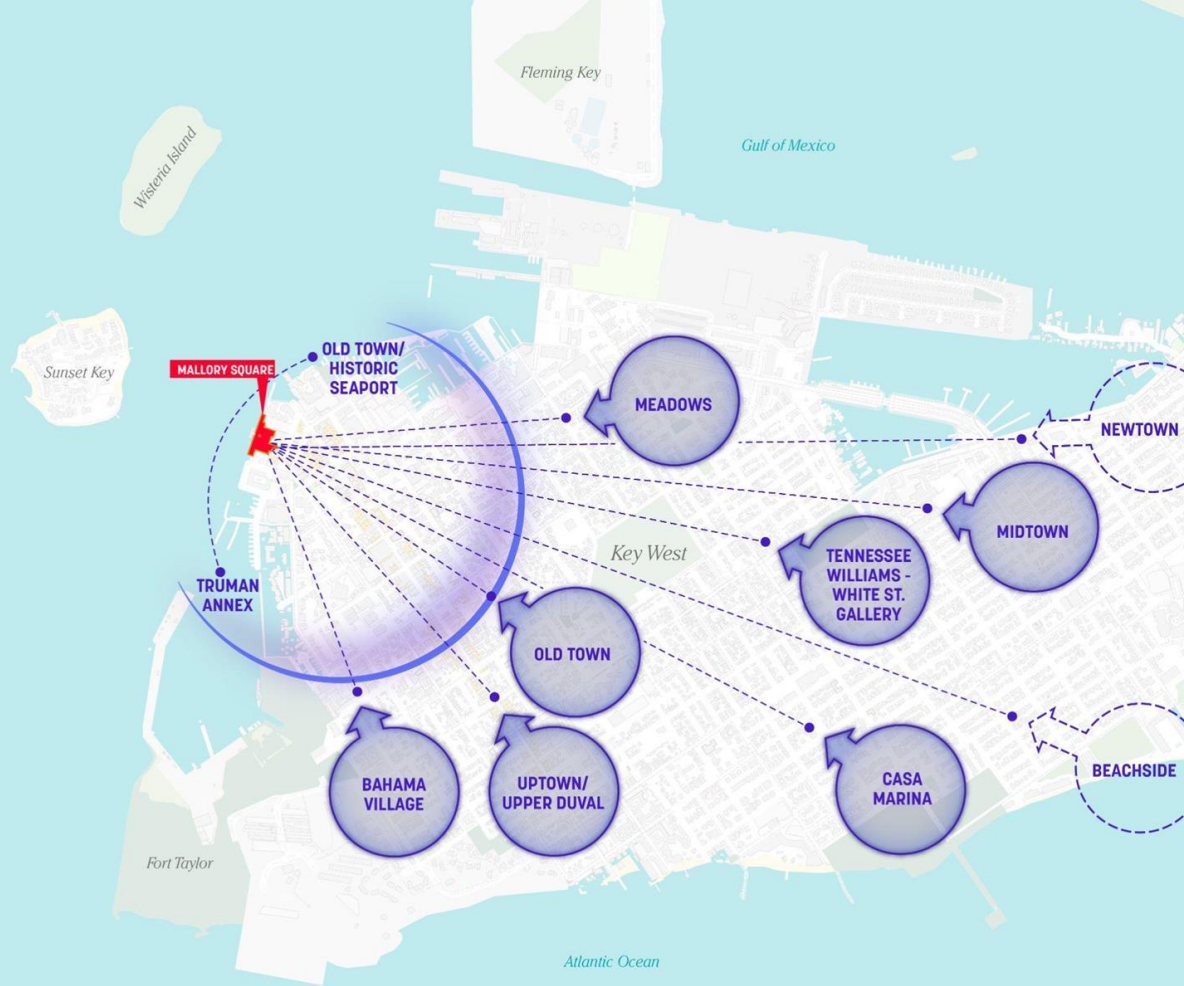

CONNECT

Provide a linkage to
critical community
corridors

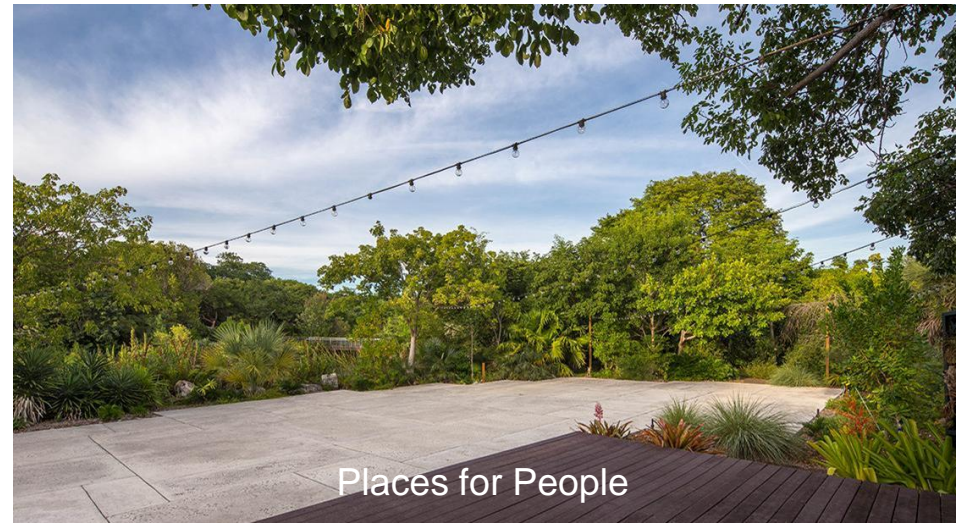

ENGAGE

Provide a welcoming
plaza for all of Key
West

Unapologetically Key West

Native Landscape at Waterfront

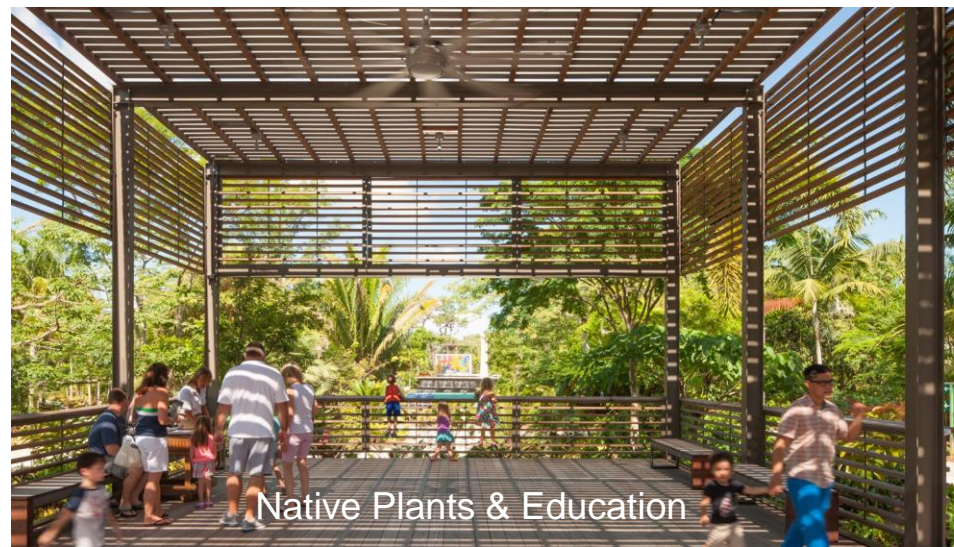

Softened Hardscape at Waterfront

Immersive Landscape

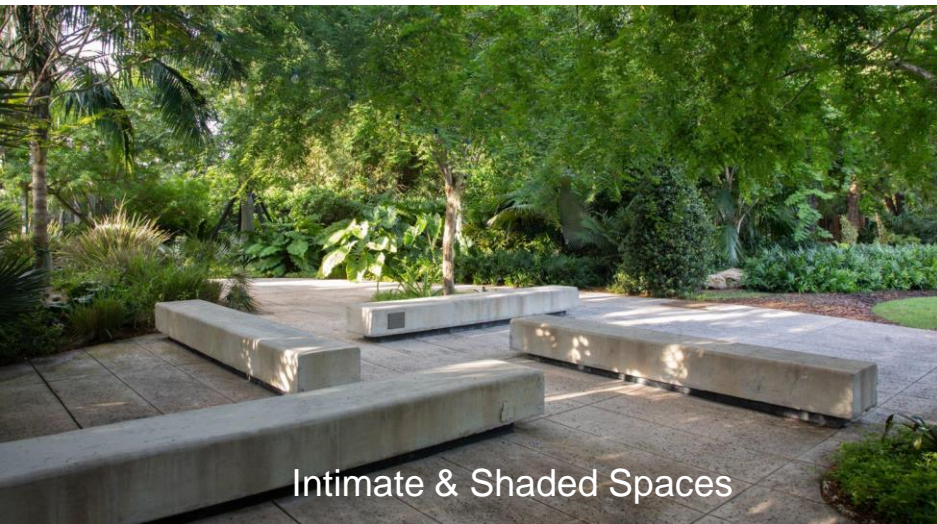

Community Building

Native Plants & Education

Ecology & Restoration

Intimate & Shaded Spaces

Community Building & Native Plants

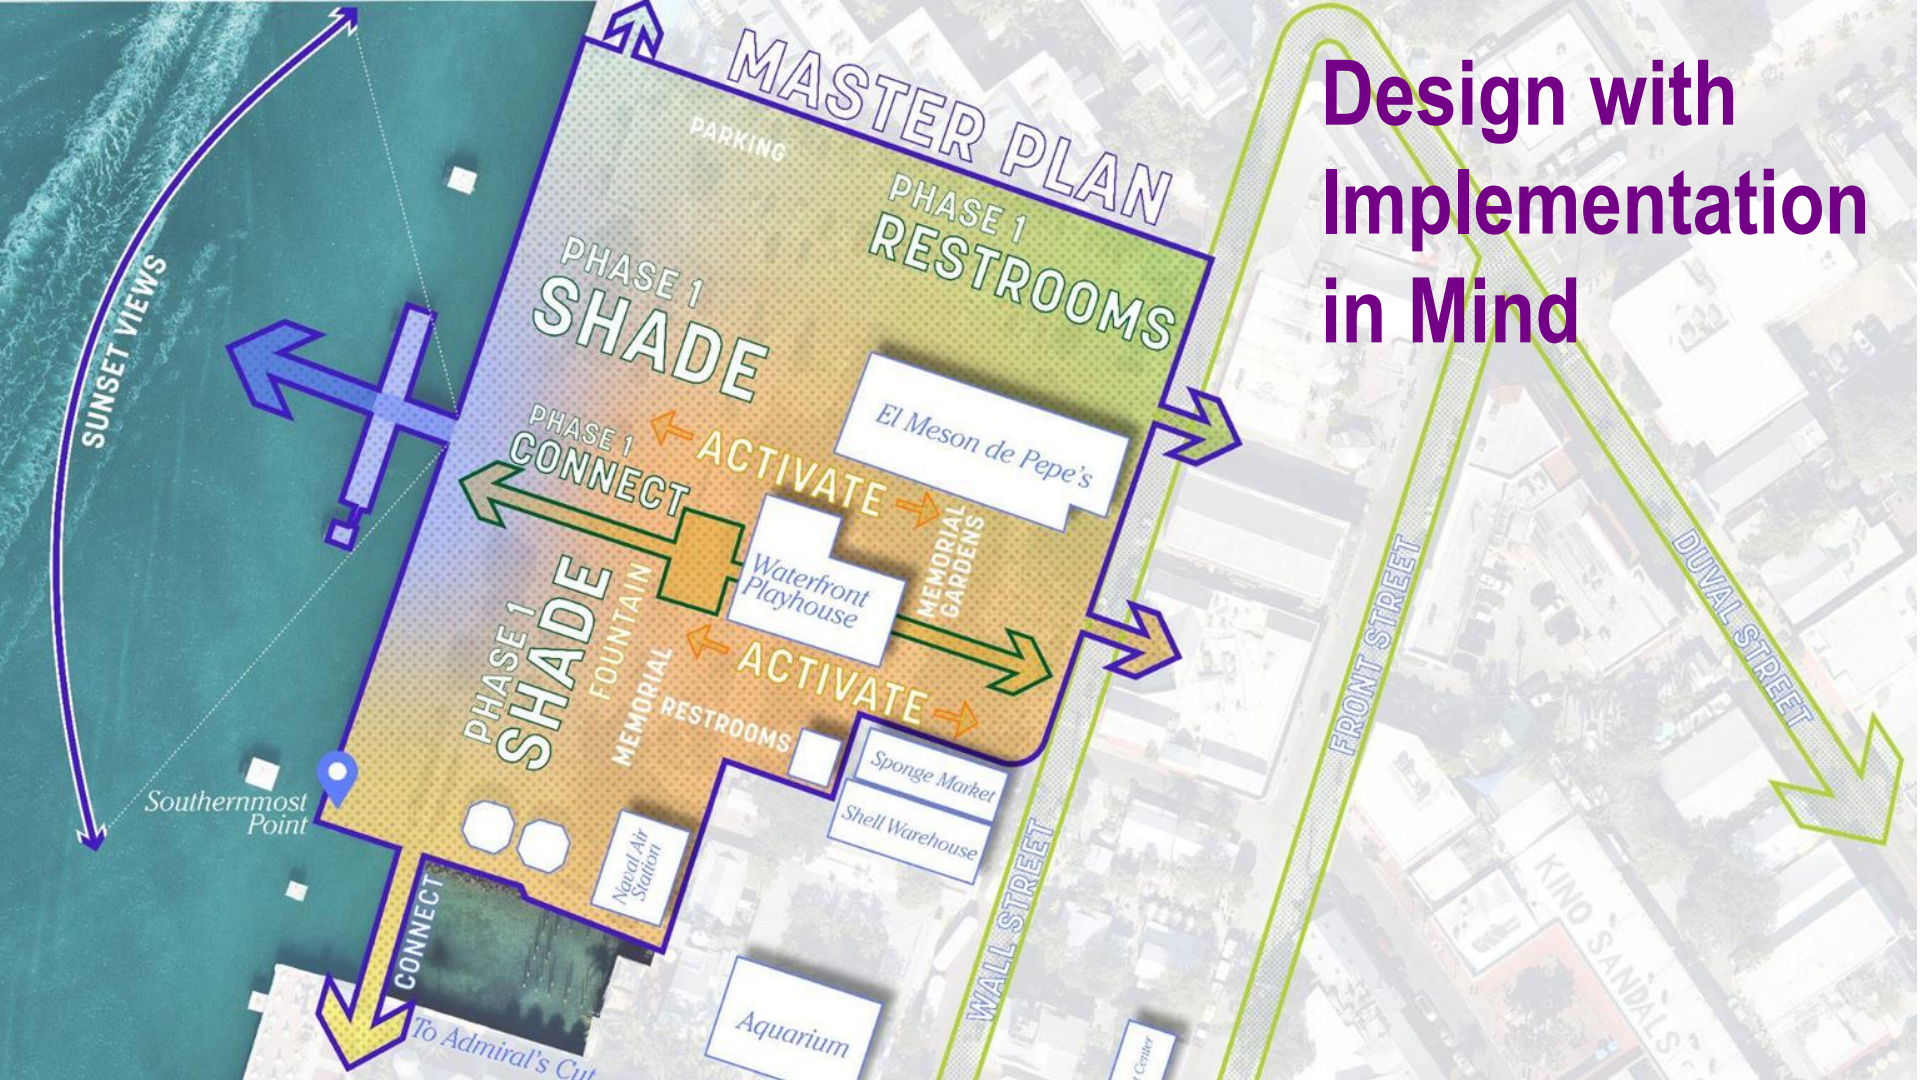

People & Placemaking

Design with Implementation in Mind

Design with Implementation in Mind
