Dear Ms. Smith,

I have sent this email to Mayor Johnston and the Commissioners. Thank you for including it in the agenda materials.

Dear Mayor and Commissioners,

The citizens of Key West voted to restrict the physical size and number of passengers allowed on cruise ships that enter Key West. The latest proposal of an agreement with Pier B Corporation completely ignores this vote.

We live in Key West because of its beautiful waters, wonderful temperatures and small town vibe. Allowing cruise ships to enter our port and disgorge huge numbers of passengers is ruining the very things that make this place special.

Please do not allow this proposed agreement to proceed. Thank you.
