THE CITY OF KEY WEST

1300 WHITE STREET
KEY WEST, FLORIDA 33040

To: City Commission for the City of Key West
From: Ron Ramsingh, Chief Assistant City Attorney
Date: March 14, 2022
RE: Suggested changes presented to the City Commission on March 1, 2022

Madam Mayor & Commissioners:

The City Charter and District Boundary Review Committee (CRC) voted on all of their final proposed revisions to the city charter and presented them to you at your March 1st meeting. During that meeting, modifications were discussed to the CRC's proposals. The CRC proposals and City Commission comments are summarized below, along with some information that you might find helpful:

Sec. 1.04 Equality of Rights

(Approved by CRC 4-0; Members M. Holtz, M. Bailey and R. Haskins absent):

The equality of rights under the laws of the City of Key West shall not be denied or abridged because of sex, sexual orientation, gender identity/expression, age, disability, race, creed, irreligion, color, immigration status, or national origin.

Commissioner Kaufman:

- Add “religion or irreligion” and not just “irreligion”

Sec. 1.05 Height Restriction

(Approved by CRC 5-1; Member Cintron dissenting; R. Haskins absent)

(a) Building height restrictions in the city's land development regulations and building code in effect as of the adoption of this charter section are subject to change only upon approval of a majority of the qualified electors casting ballots at a general municipal election.

(b) If the board of adjustment approves a height variance for habitable building space, this approval shall be submitted to the voters for ratification in the next regularly scheduled election. Board of adjustment approval shall not become effective until voter ratification. Board of adjustment height variances for non-habitable (sic) purposes, including, but not limited to, radio towers, antennae and spires, shall be final and not be subject to referendum. Board of adjustment height variances for a build back of involuntarily destroyed structures which are nonconforming in their height shall also be final and not be subject to referendum.

(c) The maximum allowable height for habitable space on approximately 2.62 acres of City owned property on College Road in the HDR-1 zoning district shall be 40 feet for those projects that are devoted entirely to affordable workforce housing.

(d) The maximum allowable height for habitable space shall be 50 feet for mixed-use development projects that include a minimum 70 percent of workforce housing units and that are located in appropriately zoned areas outside the Historic District.

Commissioner Weekley:

- Would like to see the proposed increased height restriction limited to the CG zoning district and make applications for same subject to a conditional use. (This will also require a zoning amendment for CG.)

The maximum allowable height for habitable space shall be 50 feet for mixed-use development projects that include a minimum 70 percent of workforce housing units and that are located in the General Commercial (CG) zoning district.

Commissioner Kaufman:

- Needs more input from the Chief Building Official regarding the 50-foot number. Perhaps this needs to be “more or less” to accommodate the desire of the city commission for workforce housing.
- Needs language to ensure that a minimum number or ratio of residential units are in fact built to fulfill the intent of the city commission to provide the maximum viable amount of workforce housing.

The maximum allowable height for habitable space shall be 50 feet for mixed-use development projects that is comprised of a maximum of 25 feet for the first floor commercial component and a minimum of 2 storeys of residential units that are comprised of a minimum of 35 percent “low” income workforce housing units and 35 percent “very low” workforce housing units and that are located in appropriately zoned areas outside the Historic District.

Mayor Johnston:

- Would like more input from the city planner regarding the maximum amount of workforce housing that can be accommodated in such an envelope.
- Would like to see the 50-foot limit be above Base Flood Elevation

The maximum allowable height for habitable space shall be 50 feet above Base Flood Elevation for mixed-use development projects that include a minimum 70 percent of workforce housing units and that are located in appropriately zoned areas outside the Historic District.

Other information/suggestions from Legal:

- This existing height limitations in the city for the various zoning districts are: SF- 25', CG- 40' (from 7th Ave [sic] to Eisenhower, along N. Roosevelt Blvd.- 30'), Coastal Low Density Residential- 30', MDR- 35', MDR-C- 30', HDR- 40', HDR1 25', CL 40', CT- 40', **RO Residential Office (mixed use)- 35', PRD (mixed use planned development/redevelopment)- 35'.**
- Address density as well such as in the Garden View project.
- Possibly address many of these specifics in a future ordinance and make the referendum subject to implementation of a future ordinance.

CURRENT ZONING DISTRICTS PERMITTING MIXED USE

- (d) Training and education. All initial terms shall be determined by lot after all appointments have been made. This formula will result in the terms of either two or three members expiring every year.~~
- (b) CRB members will continue to serve until their successors have been appointed; but no member shall serve more than nine consecutive years on the Board.

VI. Meetings, quorum and voting; officers.

- (a) Meetings, quorum and voting. All meetings of the CRB will be open to the public and advertised in advance as per the Florida Government in the Sunshine Law. ~~Exceptions shall be to discuss confidential matters before the Board.~~ Meetings shall be conducted at Old City Hall.

- (1) Consulting with the Key West police department and the State Attorney's Office, the CRB Executive Director or attorney will determine if an investigation related to the complaint is already underway.
 - (2) The existence of an ongoing investigation does not preclude the CRB from opening its own investigation when, for example, an internal affairs investigation seems to be taking an inordinately long time to complete. If the CRB votes to take such action, however, it should be based on advice of counsel that such action will not interfere with any ongoing criminal investigation.
 - ~~(3) A decision of the CRB to proceed with an investigation may be challenged by any agency engaged in such investigation or prosecution by seeking a judicial order. Written notification of such challenge to the CRB shall stay the investigation for 48 hours to permit the agency to obtain such an order.~~

 - (iii) conduct an independent investigation, such investigation to be concluded within 180 days or within a time period set by the CRB; or
 - (iv) notice and hold a hearing to gather evidence; or
 - (v) report its written findings and conclusions to the chief of police, with copies to the mayor, city commissioners, and city manager.
 - ~~(6) 7~~ The CRB chairperson may assign a member or committee to review internal affairs reports and make a recommendation that the CRB take one of the actions enumerated in subsection ~~(5) 6~~ above.
 - ~~(7) 8~~ Affected officers and complainants, to the extent permitted by law, shall receive copies of CRB reports to the police department and of the CRB's requests for information.
- (c) The review or investigation process shall be concluded within 180 days or within a time period set by the CRB.

- (d) At the conclusion of each review or investigation, the CRB shall render one of the following findings based on the preponderance of the evidence:
 - (1) Unfounded - where the review or investigation shows that the act or acts complained of did not occur or were misconstrued;
 - (2) Exonerated - where the acts that provide the basis for the complaint occurred, but the review or investigation shows such acts were proper;
 - (3) Not sustained - where, for example, the review or investigation fails to disclose sufficient facts to prove or disprove the allegation made in the complaint;
 - (4) Sustained - where, for example, the review or investigation discloses sufficient facts to prove the allegations made in the complaint;
 - (5) No finding - where, for example, the complainant failed to produce information to further the investigation, the review or investigation revealed that another agency was responsible and the complaint has been referred to that agency, the complainant withdrew the complaint, or the CRB did not reach a conclusion.
- (e) At the conclusion of the review or investigation, the CRB shall forward its written findings and conclusions to the chief of police and to affected officers and, to the extent permitted by law, to the complainants. The chief of police shall respond in writing within 30 days.

VIII. Procedures related to city employees and witnesses.

- (a) When a City of Key West employee, including police officers, appears before the CRB in response to a request or subpoena, such employee shall be formally advised prior to the commencement of testimony that if the employee has a good-faith belief that the testimony would tend to be self-incriminating, and if, in reliance upon that good-faith belief, the employee declines to answer any question, that employee's decision not to provide testimony will not subject him or her to any adverse employment consequences. Any employee who, after receiving such advice, decides to testify or provide evidence, must sign a statement acknowledging that the employee understands the advice and is testifying or providing evidence voluntarily and knowingly.
- (b) A police officer who is the subject of an investigation shall be informed of the nature of the investigation and provided with a copy of the complaint prior to being interrogated.
- (c) A person who appears before the CRB in response to a request or subpoena may be represented by counsel or any other representative of his or her choice, which representative may be present at all times during the subject's appearance before the CRB. Rules of procedure shall be established by the CRB.
- ~~(d) Policies and procedures shall be established to ensure compliance with Chapters 112 and 119 of the Florida Statutes and other applicable laws.~~

IX. Review and approval of annual budget.

- (a) The City shall adequately fund the CRB to allow it to carry out its function effectively of citizen oversight of the Key West police department.

- (b) The CRB will adopt a fiscal year that coincides with that of the City. The city manager shall assign appropriate personnel to assist the CRB in the preparation of an annual budget and that budget shall be submitted to the city commission as part of ~~his~~ the annual budget proposal.
- (c) While the members of the CRB are volunteers, there shall be a full-time paid Executive Director ~~with clerical assistance~~. The CRB shall also retain an attorney to advise the Board. The CRB may also engage the services of professional investigators, as needed. The cost of appropriate office space, equipment and reasonable office expenses shall also be included in the budget. ~~The cost of necessary training of the CRB members and staff may be a significant budget item the first year.~~
- ~~(d) No expenditure shall be made in any given year without approval by the city commission of the CRB budget for that year and all expenditures shall comply with City procedures for acquisition of goods and services. The city manager shall assign personnel to brief the CRB and staff concerning these procedures and to assist as appropriate.~~
- (d e) Nothing contained herein shall be construed to prohibit the CRB from submitting a supplemental budget and appearing before the City Commission to request approval.

X. Annual reports.

The CRB shall, at least annually, provide a report in writing to the mayor, the city commission, the city manager, the chief of police and the city attorney. Such reports should include, but are not restricted to, statistics and summaries of citizen complaints, a comparison of the CRB's findings and conclusions with the actions taken by the chief of police, recommendations related to changes in police policies and procedures, and any recommended changes concerning this ordinance.

XI. Severability.

If any section, part of a section, paragraph, clause, phrase or word of this charter section is declared invalid, the remaining provisions of this charter section shall not be affected.

Other information/suggestions from Legal:

- After discussion by the CRC, a proposal failed to move the entirety of the regulatory language of the CRB into an ordinance. Thereafter, Members Harrison & Cintron proposed the above referenced language to clean up the section and it passed unanimously.

Sec. 1.08 Approval by Electorate Required for Annexation of Any Real Property

(Approved unanimously by CRC 6-0; Sponsored by D. Weekley; M. Bailey absent):

Annexation or acquisition by any means, of any and all real property may only be by a vote of a super-majority of the City Commission. ~~the electors of the City.~~

- *Commissioner Kaufman:*
Would like to see language that limits just acquisition (not annexation) for purposes of affordable housing:
Annexation or acquisition by any means, of any and all real property may only be by a vote of a super-majority of the City Commission. Any acquired property shall solely be used for workforce housing. ~~the electors of the City.~~
- *Commissioner Davila:*
Would like for the voters to consider the proposal as-is.
- *Commissioner Weekley:*
Would like to include other types of acquisitions such as utilities:
Annexation or acquisition by any means, including foreclosures, forfeitures and utility liens of any and all real property may only be by a vote of a super-majority of the City Commission. ~~the electors of the City.~~
- *Commissioner Lopez:*
Would like to see specific language regarding a “specific public benefit”.
Annexation or acquisition by any means, of any and all real property may only be by a vote of a super-majority of the City Commission. Any acquired property must serve a specific public benefit. ~~the electors of the City.~~
- *Other information/suggestions from Legal:*
-Suggest that the provision be left as-is except for a supermajority approval for acquisition of any real property that is subject to a code compliance foreclosure or forfeiture action to be used or sold for the purposes of providing and/or funding affordable workforce housing:
Annexation or acquisition by any means, of any and all real property may only be by a vote the electors of the City. Any real property that is sought to be acquired by the City via a criminal forfeiture action, foreclosure of code compliance lien, or any acquisition or transfer to another local, state or federal governmental organization¹ shall be approved by supermajority of the City Commission and used to create or fund affordable workforce housing. (ex: KOTS, Trumbo Rd)

Sec. 3.01 City Commission and Mayor; Election, Term; Term Limits

(CRC Approved para (a) 4-2; Members M. Bailey and S. Harrison dissenting; R. Haskins absent; paragraph (b) was approved unanimously 6-0 with R. Haskins absent):

- (a) There shall be a city commission with all legislative powers of the city vested therein. The city commission shall consist of seven (7) commissioners, six (6) of whom shall be elected from single member districts numbered I, II, III, IV, V and VI. The mayor shall be elected by the people at large for a term of ~~two (2)~~ four (4) years. Commissioners from districts numbered I, II, III, IV, V and VI shall be elected for a term of four (4) years.
- (b) ~~No person~~ The currently serving mayor, as of September 29, 2021 shall serve no more than a total of eight years in the position of mayor. No person The currently serving city commissioners, as of September 29, 2021, shall serve no more than a total of twelve years in the position of city commissioner. No previous term, or term in progress as of the effective date of this provision, shall be counted toward the limitations contained herein. If the term limit occurs during a term in office, the person holding the office may complete the term.

- *Other information/suggestions from Legal:*

- Paragraph (a) proposes to increase the term of the Mayor from 2 years to 4 years.

- Paragraph (b) proposes to eliminate term limits for the Mayor and City Commission. If passed by the City Commission and by the voters, it is not the intent of the CRC to have the waiver of term limits in paragraph (b) apply to the sitting members of the City Commission. Therefore, the current members would still be subject to term limits.

- The September 29, 2021 date was the date that the CRC voted on the item. However, it was the intent of the CRC that this date could change so long as the spirit of the amendment is intact- which is to have the current term limitation language apply to the current Mayor and City Commissioners but not to those that are subsequently elected.

Sec. 3.02 Qualifications For Mayor and Commissioners

(Sponsored by Commissioner Lopez)

Any elector of the city shall be eligible to hold the office of mayor. Any candidate for mayor shall reside in the City of Key West at the time of qualification continuously for at least one year retroactively from the date of registration with the Supervisor of Elections Office.² Any elector of the city who, as of the date of qualification, resides in the district which he or she is seeking to represent continuously for at least one year retroactively from the date of registration with the Supervisor of Elections Office³ shall be eligible to hold the office of city commissioner. The city commission shall be the judge of the election and qualifications of its members and of the grounds for forfeiture of their office. A member charged with conduct constituting grounds for forfeiture of this office shall be entitled to a public hearing on demand, and notice of such hearing shall be published in one (1) or more newspapers of general circulation in the city at least one (1) week in advance of the hearing.

- *Other information/suggestions from Legal:*

This measure proposed to add a one-year continuous residency requirement to qualify to run for the office of Mayor and a one year continuous residency requirement in the district that you seek office for City Commissioner.

Sec. 3.07 Special Meetings; Minutes; Rules; Journal

(Approved unanimously by the CRC 5-0; Sponsor: S. Harrison; M. Bailey and R. Cintron absent):

The commission shall adopt Robert's Rules of Order, determine other of its own rules and order of business, and keep a journal of its proceedings.

- *Other information/suggestions from Legal:*

CRC member Harrison sponsored this amendment that passed unanimously in order to make it easier for the Clerk's Office to notice members of the City Commission of a special meeting during natural disasters such as a hurricane where personal service might not be safe or practical-especially in light of other means of attendance such as video conferencing.

~~Promptly after the affidavit of the petitioners' committee is filed, the clerk shall issue the appropriate petition blanks to the petitioners' committee at the committee's expense.~~

- (3) (a) Initiative and referendum petitions scheduled for a regular election must be signed by qualified voters of the city equal in number to at least ten (10) percent of the total number of qualified voters registered to vote at the last regular city election. - (4) (a) Within twenty (20) days after the initiative petition is filed and five (5) days for a referendum petition, the city clerk shall complete a certificate as to its sufficiency, specifying, if it is insufficient, the particulars wherein it is defective and shall promptly send a copy of the certificate to the petitioners' committee by certified mail. Grounds for insufficiency are only those specified in subsection (3). A petition certified insufficient for lack of the required number of valid signatures may be amended once if the petitioners' committee files a notice of intention to amend it with the clerk within two (2) days after receiving the copy of the certificate and files a supplementary petition upon additional papers within ten (10) days after receiving the copy of such certificate. Such supplementary petition shall comply with the requirements of subsection (3) of section 3.10, and within five (5) days after it is filed the clerk shall complete a certificate as to the sufficiency of the petition as amended and promptly send a copy of such certificate to the petitioners' committee by certified mail as in the case of

(Approved unanimously by the CRC 6-0; Sponsor: M. Holtz; R. Cintron absent):

There shall be a civil service system for employees of the City of Key West. Its specific terms and conditions shall be established by ordinance.

- *Other information/suggestions from Legal:*

It was the desire of the CRC to eliminate the Civil Service Board, but keep the civil service system. The reason for this was the fact that although the Board served a larger role in years past, with the increased footprint of unions and collective bargaining agreements, the role of the Civil Service Board has been reduced to reviewing promotional exams for Police and Fire.

- *Other information/suggestions from Legal:*

If the City Commission agrees to place Sec. 3.01(a) (Increasing the Mayor's term from 2 to 4 years), then this will have to be placed on the ballot as well. Additionally, this measure cleans up language regarding the now expired enabling language for having elections scheduled during even-year primary and general election cycles.

Sec. 8.01 Methods of amending Charter

(Approved unanimously by the CRC 7-0):

This Charter may be amended in two (2) ways:

(a) The commission may, by ordinance, propose amendments to any part or all of this Charter, except Article II prescribing boundaries, and upon passage of the initiating ordinance shall place the proposed amendment to a vote of the electors at the next general election held within the city or at a special election called for such purpose. Amendment of Article II resulting from annexation done in accordance with general law shall be by ordinance of the commission and shall not be subject to a vote of the electors except as provided by general law.

(1) All papers of a petition shall be uniform in size and style and shall be assembled in one (1) instrument for filing. If the petition for Charter amendment seeks a special municipal election, it shall be titled "Proposed Special Municipal Election." Immediately after the title, the petition shall state the following: "By signing this petition, I am requesting that a special election be held for this question, instead of the scheduling of this question for the next general municipal or statewide election.
