Solicitation:	REQUEST FOR PROPOSALS PROPOSAL NUMBER: #51-20 Employment Related Health Care Services/ Fire and Police Pre- Employment and Annual Physical and Fitness Evaluations
Due Date:	September 17, 2020 10:00 AM Local Time

On behalf of Life Scan Wellness Centers, I am pleased to present this proposal for RFP # 51-20 Employment Related Health Care Services, to provide the proposed Project Services related to Fire and Police Pre-Employment and Annual Physical and Fitness Evaluation. Due to the unique nature of our business, we are extremely qualified and experienced in all aspects of these employee health services.

Life Scan Wellness Centers proposes to provide an both an on-site program for the City of Clearwater Fire and Police Departments at location(s) designated and provided by the City of Clearwater as well as the option to use the Life Scan Wellness Center in Pinellas County.. An on-site program can help to ensure an expedient time frame for services as well as provides an option to keep employees on-duty resulting in a reduction in costs, time away from the job, or even overtime. *Life Scan Wellness Centers follows the guidelines outlined in NFPA 1582 (2018) and NFPA Supplemental: A Fire Departments Guide to Implementing NFPA 1582* as a guideline to Annual Physical Exams. Life Scan Wellness Centers is authorized to do business in the State of Florida. Life Scan Wellness Centers accepts the terms and conditions set forth in this Request for Proposal if awarded contract.

BACKGROUND:

Life Scan Wellness Centers is the nation's leading provider of NFPA 1582 Compliant Physicals with over 40,000 public safety exams annually in 450+ departments including the City of Clearwater. Life Scan Wellness Centers has over twenty-three years' experience in the development and implementation of programs for state, municipalities, and counties to fit their specific needs. Our commitment to fire and police service is well established. Life Scan Wellness Centers is a nationally recognized expert and educator regarding the health and fitness of police and firefighters. Life Scan Wellness Centers has collaborated with the leading researchers and medical specialists on NFPA 1582 and the IAFF/IAFC Wellness Fitness Initiative Committees regarding first responder health and fitness.

Life Scan Wellness Centers recognizes the vital importance of combining the key components of health, wellness, and fitness to generate the healthiest, most productive employees.

PUBLIC SAFETY PHYSICALS:

Life Scan Wellness Centers specializes in providing government agencies with public safety physical exams that comply with NFPA 1582, NFPA 1583, OSHA, and the IAFF/IAFC Wellness Fitness Initiatives, as well as incorporating an advanced level of enhanced screening assessments for the early detection of cancer, cardiovascular diseases, and other potentially catastrophic illness. Our Life Scan Wellness model of ultrasound-aided physical exams for Public Safety Officers has been incorporated into the standards for over 450 Fire Service, EMS, and Law Enforcement Departments.

Life Scan Wellness Centers has a distinctive approach to police and firefighter health. The Life Scan Wellness Centers public safety physical is an integrated model that combines NFPA 1582, NFPA 1583, FDLE, and OSHA compliant physicals with enhanced screenings for the early detection of major diseases such as heart disease, stroke, cancer, diabetes, and aneurysms before they reach a catastrophic level. It provides your employees with a thorough assessment of their physical and mental health. As well as recommendations for achieving and maintaining long term wellness.

Each Life Scan Wellness exam includes a comprehensive physical assessment that meets the guidelines of NFPA 1582 (Current Edition), The Fire Departments Guide to Implementing NFPA 1582 (2015) and the IAFF/IAFC Health and Wellness Initiative as well as the added-value benefit of our Life Scan Wellness Centers Ultrasound screenings of the internal organs and cardiovascular system, advanced laboratory blood profiles, diet and nutritional analysis, and a personalized wellness plan.

Our Life Scan Wellness Program also includes a Fitness Evaluation that is compliant with NFPA 1583 and the IAFF/IAFC Joint Labor Management Wellness Fitness Initiative (WFI) recommendations. Our clinical exercise physiologists have the expertise and experience to assess the physical fitness levels of each employee in relationship to their cardiovascular and overall health condition and will recommend personal fitness goals as well as diet and nutritional improvements.

During the Life Scan Wellness exam, each patient is given a comprehensive understanding of their current health as well as their health risk stratification.

CONFIDENTIALITY

All medical records and information will remain confidential and maintained in the corporate administrative office of Life Scan Wellness Centers. Information will be accessible by request from the individual. Communications regarding an individual's results as it pertains to the safety of the individual or safety of the coworker will be provided to designated City personnel if required by contract and shall include the information necessary for City of Clearwater Fire and Police Departments to maintain a safe and effective workplace. All areas of confidentiality will be according to the Confidentiality requirements of the RFP.

As an on-going program of Health, Wellness, and Fitness, Life Scan Wellness Centers and our clinical staff will be a team dedicated to identifying areas of concern, monitoring the recommended interventions and programs, and assuring that your employees attain and maintain the level of health and well-being that is crucial to perform their jobs optimally and greatly reduce the chance for illness and injury. Thank you for the opportunity to respond to this RFP for City of Clearwater Employment Related Health Care Services. #51-20 Fire and Police Pre-Employment and Annual Physical and Fitness Evaluations

TAB 2: SUMMARY OF QUALIFICATIONS

Life Scan Wellness Centers is the nation's largest provider of NFPA 1582/1583 compliant occupational medical exams serving over 450 public safety departments including over 200 in the State of Florida. Life Scan Wellness Centers proposes to provide services for the with our Life Scan Wellness Centers Public Safety Physicals. For over twenty-two years our mission has been to bring a new level of health, wellness, and fitness to Public Safety Departments. Life Scan Wellness tackles the big health issues in public safety: Cancer, Heart Disease, and Behavioral Health. Our Life Scan Wellness Program was the first public safety physical in the United States that is both NFPA 1582 and 1583 compliant as well as provides early detection of cancer and heart disease with our progressive approach. Our Life Scan Wellness Centers Program is not just a series of different random tests but an integrated physical that combines the essential components of NFPA 1582/1583 with our unique model of enhanced screening assessments, advanced blood work, extensive physical exam, cardiopulmonary testing, and fitness evaluations with a foundation in patient education. Our distinctive Life Scan Wellness Centers Ultrasound-aided physical exam has been the cornerstone of our Life Scan Wellness physicals since our onset and the key to our success in the fight against cancer, heart disease, and other potentially catastrophic diseases.

CORPORATE EXECUTIVE TEAM and KEY PERSONNEL:

Principal: Patricia Johnson, CEO and co-founder of Life Scan Wellness Centers, has over thirty-five years of medical expertise and is an authority on the health and wellness of public employees and public safety officers. Recognizing the high- toll exacted by the extreme physical requirements and stress that firefighters and police officers encounter each day, as well as the impact on their families, Patricia focuses on the distinctive medical needs of fire departments and police agencies. Patricia integrated occupational medical services with preventative medicine specializing in the early detection and prevention of both chronic and acute diseases including heart attacks, strokes, cancer and other catastrophic diseases, for the benefit of government entities. Patricia will be the business liaison with City of Clearwater.

TAB 4: SCHEDULING, TIMELINESS OF SERVICES, REPORTING CAPABILITIES

Life Scan Wellness Centers proposes to provide services for the City of Clearwater with our Life Scan Wellness Centers' Police and Firefighter Annual and Pre-Employment Physicals. For over twenty-three years our mission has been to bring a new level of health, wellness, and fitness to Public Safety Departments. Life Scan Wellness tackles the big health issues in public safety: Cancer, Heart Disease, and Behavioral Health. Our Life Scan program was the first public safety physical in the United States that is both NFPA 1582/1583/FDLE compliant as well as provides the early detection and prevention of cancer and heart disease with our progressive approach. Our Life Scan Wellness Program was designed by the founders in 1998. Our Life Scan public safety physical is not just a series of different random tests but an integrated exam that combines the essential components of NFPA 1582/1583/FDLE with our unique model of ultrasound imaging screenings, advanced blood work, extensive physical exam, cardiopulmonary testing, and medically related fitness evaluations with a foundation in patient education. Our Life Scan ultrasound-aided physical exam has been the cornerstone of our Life Scan Wellness physicals since our onset and the key to our success in the fight against cancer and heart disease.

Life Scan Wellness Centers has the proven experience, knowledge, clinical staffing, equipment, and resources to successfully provide them with an unprecedented public safety health and wellness program and can successfully meet all timelines and performance criteria for the annual and pre-employment physicals.

- The Life Scan Wellness Centers Program is designed exclusively for police and fire departments. Our entire clinical team has extensive knowledge and experience in providing occupational public safety physicals. All Life Scan Wellness Centers clinical team members are experienced in all aspects of the scope of services and the Life Scan Wellness Program including NFPA 1582, NFPA 1583, FDLE, OSHA Respiratory Standard, The WFI Initiatives, and the integration of our Life Scan Wellness Centers Ultrasound-aided physical exam.
- The Life Scan Wellness Centers' licensed health practitioner (LHCP) designated for the City of Clearwater public safety physicals will be a Florida licensed APRN (Advanced Practice Registered Nurse) under the collaboration of Anthony Capasso, M.D., Medical Director.
- All Life Scan Wellness Centers' employees are full-time, directly employees and are extensively trained and experienced in public safety annual and candidate physicals. The Life Scan Wellness Centers APRN will be on-site at the City of Clearwater location to conduct the physical exam, vision, audiometry, and oversee all aspects of the program. They also provide their patients with same day consultation for review of results and recommendations. Each APRN is fully trained and has extensive experience in occupational public safety physicals. They have a thorough knowledge of job-related activities, the physical demands and mental stresses of these occupations. They understand the various job analysis and receive annual training on matters relating to public safety service.
- Life Scan Wellness Centers has multiple clinical/fitness teams that can undertake a range of differing projects. The clinical/fitness staff members that will be assigned to the city of Clearwater have extensive experience with Life Scan Wellness Centers in similar projects with over 450 fire departments and law enforcement agencies in the United States caring for over 40,000 first responders and are fully trained in all aspects of the Life Scan Wellness Centers Program and the Scope of Work.

- Life Scan Wellness Centers has the experience and expertise with government entities, public safety agencies, and in the firefighter and police physicals to understand the applicable laws or regulations that relate to the project and to provide over site and management to ensure that the plans and specification are being complied with and the Scope of Work are being properly provided.
- As demonstrated by our references, we have been extremely successful in providing our contracted agencies with a program that not only meets, but exceed their expectations, as well as proven to be an outstanding wellness benefit, increase internal moral, and helps to ensure the long-term health, longevity and mental wellbeing of their personnel.
- Life Scan Wellness Centers has met or exceed the expectations of every contract and project including budgetary goals, timetables, and quality control objectives.
- We have state-of-the art medical equipment for the project with all clinical specialists fully trained in their use, function, and normal/abnormal ranges for expert consultation. We will continuously work with the City of Clearwater to further improve your program and to meet health and fitness need of your personnel. Medical technology is a dynamic industry with new advances in medical screenings introduced each year. When appropriate for you program, we will make these new tests available to your department at reasonable costs.
