amended Plat of Vista del Mar recorded in Plat Book 4, Page 136 of the Monroe County Public

of Lot 2 thence Easterly along the Northerly line of said Lot 2 a distance of 31.54 feet to a point;
thence Northerly and at right angles a distance of 0.88 feet to the Point of Beginning; thence
continue Northerly a distance of 15 feet to a point; thence Easterly and at right angles a

Land described herein contains 165.00 square feet, more or less, as specifically

described and illustrated in the attached specific purpose survey dated February 15, 2022, drawn by Reece & Associates (Copy attached hereto).

The Grantor hereby agrees to grant and convey to the Grantee an easement for encroachments, at the property located at 2 Go Lane, as more specifically described in the attached survey. The easement shall pertain to addressing the encroachments to construct one (1) boat lift onto the Sunrise Canal right-of-way herein described, and not to any other encroachments.

The granting of this easement is conditioned upon the following:

1. The easement shall terminate with the removal of the boat lift.
2. The City may unilaterally terminate the easement upon a finding of public purpose by vote of the Key West City Commission.
3. The Grantee shall pay the annual fee of \$400.00 specified in code Section 2-938(b)(3).
4. Grantee shall irrevocably appoint the City Manager as its agent to permit the removal of the encroachment if the annual fee required by the Code of Ordinances is not paid.
5. Prior to the easement becoming effective, the Grantee shall obtain Commercial General Liability insurance that extends coverage to the property that is governed by this easement with limits of no less than \$300,000.00. Coverage must be provided by an insurer authorized to conduct business in the State of Florida and with terms and conditions consistent with the latest version of the Insurance Service Office's (ISO) latest filed Commercial General Liability form. Grantee shall furnish an original Certificate of Insurance indicating, and such policy providing coverage to, City of Key

West named as "Additional Insured".

6. The easement areas shall not be used in site size calculations such as lot, yard, and bulk calculations for site development.
7. The City reserves the right to construct surface or sub-surface improvements within the easement areas.
8. The areas to construct one (1) boat lift on the Sunrise Canal right-of-way shall be the total allowed within the easement area.
9. To the fullest extent permitted by law, the Grantee expressly agrees to indemnify and hold harmless the City of Key West, their respective officers, directors, agents and employees (herein called the "indemnitees") from any and all liability for damages caused by or resulting from the Grantee's improvement in the easement area.

II. CONSIDERATION

Grantee agree to pay to Grantor all sums and fees for city sewer, city garbage, if unpaid; otherwise to promptly bring the property and all uses thereof into full compliance with all city and state laws and regulations, if it is not now in full compliance. Grantee further agrees to pay Grantor an annual fee for this easement in the total amount of \$400.00, payable annually on the anniversary date of the execution of this Easement Agreement, to the City of Key West. Failure to pay such annual fee and/or to conform with agreed upon additional conditions shall constitute grounds for the Grantor to terminate the easement.

III. EASEMENT TERMINATION

Grantee agrees that the improvements located on the Easement shall not be enlarged or expanded.

Grantee shall have the right to repair and maintain the boat lift.

The easement shall terminate upon the removal of the boat lift.

The Grantor herein expressly and irrevocably appoints the City Manager of the City of Key West as its agent to permit the removal of the encroachments in the event the annual fee referred to hereinabove is not paid.

In the event Grantor determines that retaking this property is necessary for a public purpose by virtue of a vote of the City Commission, then Grantor may unilaterally terminate this easement and reclaim the property without compensation to Grantee.

This easement shall terminate upon the failure of the Grantee or its heirs, successors, or assigns to maintain liability insurance in a minimum amount of three-hundred thousand dollars (\$300,000.00) per incident and any other insurance cover specifications set forth in this agreement, naming the City of Key West as additional insured, for that portion of real property which is the subject of this easement agreement.

This easement shall be considered a covenant that runs with the land and shall be binding upon and inure to the benefit of the parties hereto, their heirs, successors and assigns.

IN WITNESS WHEREOF, the parties have executed this easement the date above written.
