Re: Request for Lot Split – 1617 White Street & Sirugo Avenue

Dear Ms. Halloran:

My firm represents the interests of Steel City Motors, LLC, which owns the real property located at 1617 White Street, Key West, Florida 33040, RE#00059580-000200 (“1617 White”) and the adjoining vacant Sirugo Avenue property to the rear of 1617 White, RE#00059580-000210 (“Sirugo Lot”). Pursuant to Section 118-3 and 118-169 of the City of Key West Land Development Regulations Steel City Motors, LLC, requests an adjustment to the existing lot lines, via a Lot Split,¹ of 1617 White and the Sirugo Lot.

This Lot Split request will remedy existing nonconformities at 1617 White and eliminate the need for variances. The requested Lot Split will not create any nonconformities or affect the existing density or number of lots. Also, Code Case CC2020-01335 will be resolved by this Lot Split.

¹ Section 118-3 provides—*Lot splits* means any change in the lot lines or boundaries defining land configurations which does not increase the number of lots and requires no extension of off-site improvements.

Enclosed please find the following:

1. Authorization forms.
2. Deeds to both parcels.
3. Property record cards for both parcels.
4. An original survey by Reece & Associates dated 12/28/17.
5. Site data tables for the properties prepared by T.S. Neal Architect, Inc.
6. Survey showing proposed configuration of 1617 White.
7. Survey showing proposed configuration of Sirugo Lot.
8. Planning Director Email dated June 15, 2022.

If you should have any questions or require additional information, please do not hesitate to contact me.

Very Truly Yours,

Van D. Fischer, Esq.

Good afternoon,

I have just reviewed these images and the two proposed lots would address the variance issue. The depth of the proposed Sirugo lot appears to be 2.5' short of 100 feet- minimum depth, but I believe that is a nonsubstantive shortfall in depth and I can support the lot split. Your next step would be to submit the fee for a lot split along with required documents (as per Code, we don't have a specific application for this) and proceed to DRC. I know your clients would like to get a building permit as soon as possible so we will expedite as much as we can.

Please reach out to Jordan for fees/documents if you need assistance.

Thank you,

Katie
