RE: Accreted Lands adjoining Roosevelt Blvd. and Marriott– City of Key West

Dear Mr. Young,

It was a pleasure to discuss the title history of the accreted lands North and adjoining Roosevelt Blvd. and the Marriott properties with the City of Key West.

In our review of our title and land records as well as legislative acts of the state of Florida, we determined the following:

- In 1950, the BOT deeded land to Key West Improvement, Inc. now the current Marriott site.
- In 1957 by Act of the Florida Legislature the area in question was conveyed to the City of Key West.
- In 2018 the City conveyed by quit claim deed the same area/ Roosevelt Blvd to FDOT.

Therefore, the Board of Trustees is not asserting ownership of the disputed accreted area as shown in the attached sketch. Any issue resolution regarding the fencing on the sketch would be between the Marriott, FDOT and/or the City of Key West.

If I may be of assistance to you in the future, please let me know.

Sincerely,

A handwritten signature in blue ink that reads "Scott Woolam".
