## VIOLATIONS

| VIOLATION TYPE | USER NAME | OBSERVED DATE | CORRECTED DATE | LOCATION | REMARKS | NOTES  |
|----------------|-----------|---------------|----------------|----------|---------|--|
|                |           |               |                |          |         | <p>Count 1. Section 14-37. - Building permits; professional plans; display of permits; address; exceptions.</p> <p>(a) Building permit required; display. Building permits shall be procured from the chief building official before performance of any work or construction of any character, whether permanent or temporary. Within 48 hours after it is issued, the applicant must cause the permit to be posted and displayed at the work site so that it is readily visible from an adjacent public street throughout the term of the work. No work shall be performed unless a proper permit is so posted.</p> |

Inspections may not be performed if the permit is not posted and address numbers are not a minimum of 4" high and clearly visible from the street.

**Exception 1:** Total contract price less than \$1,000.00 per FBC Sect. 105.2.2 Minor Repairs. Ordinary minor repairs may be made with the approval of the chief building official without a building permit, provided the repairs do not include the cutting away of any wall, partition or portion thereof, the removal or cutting of any structural beam or load-bearing support, or the removal or change of any required means of egress, or rearrangements of parts of a structure affecting the egress requirements; additionally, ordinary minor repairs shall not include addition to, alteration of, replacement or relocation of any standpipe, water supply, sewer, drainage, drain leader, gas, soil, waste, vent or similar piping, electrical circuit wiring systems or mechanical equipment or other work affecting public health or general safety, and such repairs shall not violate any of the provisions of the technical codes.

Any new electrical circuits or wiring will require a permit.

Any new plumbing fixtures or piping will require a permit.

**Exception 2:** Painting, both interior and exterior, residential or commercial does not require a permit. Tile repair or installation, floor covering, including carpet, laminate, resilient, and wood, both residential and commercial, do not require a
