Dear Ms. Dougald,

This is a friendly follow up regarding the propose work at 703 Windsor Lane, Key West, FL 33040. We are working for Mr. Kevin and Ms. Jennifer Trapani to demo their uninhabitable house at 703 Windsor and build a safe, new house it is place. We hope this email finds you well, and would greatly appreciate being to discuss the project with you in more detail. I have reattached to this email the plans for this project. We believe and hope you will agree that the rebuild will improve, not only their property, but your property as well. We look forward to speaking with you and we will be grateful for your support.

Sincerely,
Thomas
