Hi again, Zoe,

I reached out to Mr. Tannura via phone. We discussed the project. As you mentioned, he expressed concerns about the size of the project. I shared with him that we are reducing the size and adding a setback between the structures at 703 and 705 Windsor. He expressed that if this did not need a variance to rebuild that he would not be opposed.

Best regards,
Thomas

Good morning,

I just had a nearby neighbor call me to voice his disapproval of the 703 Windsor Lane variance that is being seen by the Planning Board tonight. Below is the contact information:

Phillip Tannura
720 Windsor Lane

Mr. Tannura is concerned with the size of the proposed structure.

Thank you,
Zoe Porter
