## REPORTING OFFICER NARRATIVE

		OCA 22-004352
Victim <i>Society</i>	Offense <i>RESIST ARREST / ESCAPE</i>	Date / Time Reported <i>Sat 07/30/2022 21:05</i>

On 07-30-2022, I K-9 Ofc. Matthew Hansell of the Key West Police Department, was conducting traffic enforcement at 4400 Overseas Highway now referred to as the Cheryl H. Cates Memorial Bridge.

I was positioned on the South portion of the bridge along the grass shoulder facing South approximately 100 feet before the entrance to Key West at North Roosevelt Blvd.

During this time, I observed a dark in color Dodge Ram pass my location at a high rate of speed nearly rear end a vehicle in the turn lane for North Roosevelt Blvd traffic. I visually estimated the speed of the Dodge Ram to be approximately 50 to 52 miles per hour.

It should be noted that the speed limit coming into the city of Key West is 30 mph. There is a posted speed limit sign stating 30 mph 100 feet before the College Road traffic light as you driver South on US1 entering Key West. There is a second 30mph speed limit sign at the Cheryl H. Cates Memorial Bridge as after you cross the college road intersection. I am also certified in Lazer / Radar/ Speed and Visual Estimate, having received this training from the Hillsborough County Public Safety Institute in 2008.

I pulled out of my location and onto N. Roosevelt Blvd. I pulled behind the pickup as it continued inbound. As I was about to activate my emergency lights and siren to conduct a traffic stop, the truck took an abrupt turn into the Conch Tour Train parking lot located at 3840 N. Roosevelt Blvd. speeding to the back of the parking lot. This parking lot is for tour bus and employee parking and offers no permitted use for the general public making the driver`s actions odd.

By the time the pickup truck stopped I had activated my emergency lights. As I put my police vehicle into park, The driver door of the truck immediately opened and the male driver, later identified as Brett Portier attempted to get out.

I walked up to Portier and asked him what he was doing, as it was clear he was trying to hide from me. I could also see Portier had glassy bloodshot watery eyes and I could smell an overpowering odor of an alcoholic beverage coming from his person. I asked him to get out of his vehicle. Portier looked at me with a blank stare and for a split second I thought he was going to drive away. I asked him if he understood me and had him stand at the back of his pickup away from the driver seat.

I called out the traffic stop on Key West Dispatch Channel 1 as the radio traffic was busy earlier in reference to a medical emergency as I was attempting to stop Portier.

I requested an additional officer to the scene in order to conduct a DUI investigation based on my observations of Portier to this point.

I asked Portier why he was speeding and where he was going to. Portier mumbled something incoherent about his speed and stated he was going to his girlfriends.

I asked Portier for his information, which he provided verbally. I checked Portier`s information in FCIC / NCIC which showed he was on probation out of Florida for DUI-causing serious bodily injury, however he had a valid Connecticut Driver`s License.

As I was checking Portier`s information, I noticed he seemed uneasy. He began pacing back and forth at the rear bumper and looking around as if he was looking for a place to run.

I had to ask him multiple times to remain at the back of his pickup and to take his hands out of his pockets. I

continued checking Portier's information in NCIC/FCIC while waiting for back up officers.

At one point during the encounter Portier ducked down on the passenger side of his truck and out of my sight. It was obvious Portier was contemplating running from me and I had no choice but to place him into handcuffs, while waiting for additional officers to arrive.

I asked Portier to put his hands behind his back and grabbed his right arm. Portier pulled away from my grasp, turned into me with his fists and arms clenched as if he was going to attack me and asking, "What for?" as he then pushed and pulled away from me.

I told Portier to stop, even telling him he could be bit by a K-9. Portier continued to ignore my commands and gave him one quick burst toward the top of his forehead as he pulled away.

Portier then proceeded to run toward the back parking lot as I asked for units to step it up. Portier continued running and circled back around toward his truck and my police vehicle. I ran after Portier each time catching up to him grabbing ahold of his arms attempting to control him as he avoided arrest. Portier was much taller and bigger than me and he was able to push me away each time and continue running. I shouted multiple times for Portier to get on the ground as he ran. At one point he turned back toward me and still refused to get on the ground where he received an additional OC spray.

This still seemed to have no affect but Portier slowed down as he was now out of breath. I used my right leg to sweep Portier to the ground as he still refused to obey my commands to go down. Ofc. Perez arrived and we attempted to handcuff him. Portier still refused to comply and kept pulling his hands away from us and back under his chest even trying to post up. After several more attempts and yelling, I was able to pull Portier's left hand out from under him and place it into hand cuffs with the assistance of Ofc. Perez.

Additional officers arrived on scene and Portier was secured. I walked back to my police vehicle to calm down. Sgt. Revoredo arrived on scene as well and I explained the stop and the use of force.

Portier was treated at the scene by Key West Fire Rescue Engine R3 before being transported by Ofc. Roscoe to Lower Keys Medical Center and eventually the Monroe County Jail. I conducted a K-9 sniff of the truck under case number 22-4354 with a negative alert. I waited on scene until Arnolds Towing arrived to tow the pick up.

Portier was issued traffic citation AEU65FE in violation of Florida Statute 316.074-1 for violation of traffic control device in reference to speeding that was witnessed by myself. Portier was also charged with Resisting / Obstructing and Officer without violence under Florida Statute 843.02.

The facts of this arrest affidavit are as follows.

1. The defendant Portier, resisted my attempts to be placed into hand cuffs by pulling away and running. Each time I would re-engage Portier by grabbing him, he would push and shove me away and keep running.
2. At the time of Portier's resisting, I was legally performing law enforcement duties as defined by the State of Florida and which consisted of a traffic stop of a vehicle Portier was driving. Portier was not free to leave.

On 07/30/2022, at 2150 hours, I (Ofc. R. Perez) was in route to 3840 N. Roosevelt Blvd. to assist Ofc. M. Hansell with a traffic stop. While in route Ofc. Hansell advised that he needed expedited back up. I turned on my emergency lights and drove priority one to his location.

Upon arrival I see Ofc. M. Hansell trying to take control of a male later identified as Brett Portier. I exited my vehicle and ran toward Ofc. Hansell. Ofc. Hansell was able to take Portier to the ground using a modified leg sweep takedown. I assisted Ofc. Hansell in holding Portier down by placing my left knee on Portier's buttocks. I also assisted in hand cuffing Portier. When Portier was detained, I stayed with him while waiting on rescue to treat him from the OC spray he had been sprayed with. Portier was then transported by Ofc. Roscoe.

My AXON BWC and AXON FLEET cameras were activated during this incident.
