RE: Historic Seaport RFP #005-18 Res 19-322 Holiday Decorating Proposal for 2022 with additional items.

Dear Karen:

As per your request, please find a revised proposal format for the 2022 season. Find an itemized proposal with past contractual items and a separate proposal with additional items for 2022. Let me know that this is okay for you. Same total number, \$99,680.00.

The purpose of the letter is to provide you with detailed descriptions and pricing for Brandano Displays, Inc to illuminate trees and buildings and decorate the Historical Seaport for the 2022 Holiday season. Details are provided on the attached worksheet.

For the 2022 season we are adding, Tree lights and pole decorations to the Williams Street Parking lot as well as expanding the lights on the Dockmaster building to include all 4 sides and the peak. I provided detailed descriptions as well as itemized pricing on the attached worksheet.

As in the past, we will provide all the products and install them as per our agreed upon installation dates, attached. Services also include maintenance and dismantling of all the lights and decorations in January.

I hope this helps with your planning. Thanks for reaching out.
