Web Link or Other Information Available	Emergency Medical Services Grants Florida Department of Health (floridahealth.gov) LIFEPAK 15 monitor/defibrillator - proven clinical performance Stryker (strykeremergencycare.com)

Grant Information	
Grant/Project Name	ALS fire engines LifePak 15
Total Project Estimate	\$100,370.16
Grant Request \$\$	\$90,333.14
Match Required Y/N	Yes
In Kind Y/N	
Project Description	Applying for this grant and resulting in an award would allow KWFD to purchase 3 Lifepak 15 monitors to equip our 3 fire engines stationed through-out the city. Utilizing our current staffing and supplies we would be able to certify our engines as ALS (advanced life support) recognized by FLDOH.
Additional Information	Permitting our engines as ALS would allow us to carry the same life-saving equipment and medication as an ambulance. The highest level of pre-hospital care would be administered to our residents and visitors whether an ambulance or fire engine is on scene.
Currently Budgeted (Y/N)	no

Project Approval Status	
City Manager Approval /Date	Signature:  Date: 1/19/2022
