EXPERIENCE:

Director of Safety and Security

Monroe County School District, Key West, Florida (May 2021- Present)

- Provide coordination and leadership in the development, implementation and evaluation of a variety of services for the Monroe County School District, with an emphasis on ensuring the safety and security of the students and staff of the District.
- Responsible for directing assigned programs and services, ensuring District compliance with all applicable state and federal laws, and performing related work as assigned. Develop and implement programs within organizational policies; report major activities to District administrators.
- Provide leadership and direction in the development, implementation and supervision of District programs pertaining to the promotion and maintenance of staff and student safety.
- Develop and administer program budgets; monitor and approve program expenditures and prepare related reports; seeks, secure and administer or assist in administering grants for program and project funding.
- Establish and monitor progress toward program goals and objectives. Plan and implement policies, procedures, training programs, drills, assessments, community partnerships and parent involvement.
- Coordinate with other Directors on facilities security, access control, security cameras and communication systems. Administer emergency preparedness, Emergency Operations Center coordination, disaster recovery, FEMA engagement including responsibilities for District implementations, reporting including storm shelter operations and National Incident Management System (NIMS) compliance.
- Work in conjunction with Monroe County Emergency Management during shelter activation for disasters, both natural and man-made. Functions as a liaison between law enforcement and District staff, as needed, with incidents of criminal activity within the District or involving District personnel or students. Serve as District liaison to the School Resource Officer (SRO) Program; coordinate program operations with law enforcement agencies and individual schools as needed.
