Good afternoon Karen,

Please find attached our justification regarding the request to remove five trees at Peary Court to accommodate the addition of the proposed residential units. If you would, please include this as a part of the upcoming Tree Commission presentation.

Thanking you in advance for your consideration.

Regards,  
Keith Oropeza, ASLA

**Pearry Court Tree Removal Request  
Key West, Florida**

Dear Ms. DeMaria:

Per our application we are requesting five trees to be removed. These removals are based on both the health and safety of the public as well as two trees that are within a proposed building footprint. The two madrus thorns and one ficus are in extremely poor health with included bark at the crotches as well significant termite damage and excessive die back. These trees represent a public safety issue. There is history on site of madrus thorn branches of significant sizes breaking off and damaging personal property. The mango and mahogany on the survey were outside the building footprint, but as the surveyors have laid out the building perimeter, these two trees fall within the building foundation.

Our current approved landscape plan proposes the following:

- |                                |              |
|--------------------------------|--------------|
| ▶ 18 Gumbo Limos @ 4" cal. X 2 | 144 inches   |
| ▶ 12 Mahogany @ 3" cal. X 2    | 72 inches    |
| ▶ 4 Acacia @ 2.5 " cal.        | 10 inches    |
| ▶ 16 Orange Geiger @3" cal.    | 48 inches    |
| ▶ 3 Ironwood @3.5 cal.         | 10.5 inches  |
| Total inches provided          | 284.5 inches |

Base on the proposed design we are providing back to the community a significant canopy the far exceeds that required by code and brings a park like atmosphere to the development. In the area of the requested removals, we are providing 119 new caliper inches plus 12 palm trees.

GAI Consultants, Inc.  
618 E South Street

**Subject:** RE: [EXTERNAL] Update Perry Court

Do you have an updated, accurate copy of a survey with the approved site plan? It seems the approved development plan was not accurate regarding the tree locations. I remember being told numerous times how there was no tree removal involved due to the new, proposed structures!!!

I strongly suggest you look at the possible transplanting of the mango tree. There is nothing wrong with that tree and to remove it because of a building is poor planning and design and not something that the Tree Commission tends to approve. The other trees I can see some validity to the removal request.

Don't forget that the Coconut and thatch palms needs a permit prior to transplanting. Any thoughts on who will be doing that work? Proper transplanting of these palms does require root pruning of at least a month.

Sincerely,

Karen

**Subject:** [EXTERNAL] Update Perry Court

Karen,

Based on the survey, the mango will be in the middle of building #6 footprint (the tagged was removed by someone) so I want to leave it as a removal. Regarding the coconut palm, it is part of the clump of thatch palms that is being relocated. So, in short, the original submittal stands as submitted.

Thank you, Keith

I still need an updated landscape plan, for the file. It would be best to have it by March 8.

Sincerely,

Karen

THE CITY OF KEY WEST

Tree Commission

Post Office Box 1409 - Key West, FL 33041-1409

Telephone: 305-809-3725

April 12, 2022

Jeffrey Cornfeld  
3850 Hollywood Blvd-Suite 400  
Hollywood, FL 33021

Dear Mr. Cornfeld:

The City of Key West Tree Commission recently considered your permit application TP2022-00008 for Final Landscape Plan approval at 541 White Street (Peary Court), Key West, Florida, at their regularly scheduled meeting on April 11, 2022.

The Tree Commission approved the Final Landscape Plan for the development of additional housing on the property at their April 11, 2022 meeting.

**The permit to transplant the trees and palms will not be issued until demolition and/or building permits have been issued for the project. When you are ready to start demolition or construction, please submit an application to the Urban Forestry Manager.**

If you have any questions, please call the office at (305) 809-3725.

Sincerely,

  
Misha McRAE  
Chairman, Tree Commission

**Subject:** Peary Court Tree Removal

Good morning Karen,

Please accept this application for consideration at the next Tree Commission meeting.  
We are requesting the removal of 5 trees which I have indicated on the application and an attached drawing.  
I am requesting consideration for the excess tree points provided on the current approved landscape drawings. We are well above the code requirement. With that in mind, I want to make minor adjustments to the approved tree layout to accommodate  
a new canopy tree is in proximity to the ones being requested for removal.

Thank you for your consideration.

Bester regards,  
Keith Oropeza
