Victim

Offense
BAKER / MARCHMAN ACT

On Sunday, December 25, 2022, at 6:43 AM, I was dispatched to Apartment 3 at 1703 Von Phister Street for a verbal altercation. The reporting party, Kristi Isrow, told the KWPD dispatchers her 19-year-old son was drunk and trying to fight his father.

Officer Waite and I contacted the mother outside the upstairs apartment. She mentioned we would need several officers for the situation. I asked her what was going on. She told us her son was drinking, mentioned pills, and mentioned him being previously Baker Acted.

I could hear a male screaming inside the apartment. Officer Waite and I entered the apartment. Kristi pointed toward a bedroom where the noise was coming from. I overheard a male subject saying he could hear the police and he would fight them. We entered the room and observed the son, Chace Isrow, standing on a bed at the back of the room by a window. Chace was shouting. Chace's dad, Ryan Isrow, was also in the room, trying to deescalate Chace. Chace immediately started to exit the room via an opened window (we were on the second floor and below was a concrete pad and rocks). Officer Waite, Ryan, and I grabbed Chace and pulled him onto his bed. Chace was laying on his stomach while shouting and flailing his arms around. I gained control of Chace's right arm. Chace continued to shout and flail his arms. Officer Waite made use of his Taser and drive stunned Chace in his back. Chace immediately ceased from tensing his arms and placed them behind his back. I maneuvered Chace into handcuffs. Chace continued to flail around and shout.

Officer Leahy and Key West Rescue arrived on scene. Chace calmed down at that point and agreed to walk downstairs. I walked Chace downstairs and stood by while the Key West Rescue medics evaluated him in the ambulance.

Officer Waite spoke with Chace's parents and got a background. Officer Waite told me he would complete a supplemental report.

The Key West Rescue medics cleared Chace. I placed Chace in the back of my patrol car. I transported Chace to the emergency room at the Lower Keys Medical Center. I filled out Baker's Act paperwork and turned Chace over to the ER staff without incident. The emergency room later called and advised Chace became combative. Prior to our arrival the emergency room staff sedated Chace. Chace was calm on our arrival.

I determined Chace was likely suffering from depression and self-medicating with alcohol and pills. It was clear that if Chace didn't receive immediate help for his mental health issues, he would seriously harm himself.

I activated my bodycam and in-car camera during this call.
