

Quarterly Update

Key West's Strategic Plan

April 2023

ELISA LEVY
CONSULTING

A group of five people are seated at a long, light-colored table in what appears to be a meeting or workshop setting. From left to right: a woman with long dark hair and glasses, resting her chin on her hand; a man wearing a white t-shirt and a baseball cap, also with his hands clasped; a woman in a bright pink shirt with her arms crossed; a man in a white t-shirt looking forward; and a woman in a patterned top with her hands clasped. In the foreground, the back of a woman's head and shoulders are visible as she looks towards the group. The table has some papers and a yellow highlighter on it. The background shows a plain wall and a door.

Are we making a difference?
