RE: Assistant City Attorney I – Key West

Dear Mr. Ramsingh –

I write with interest in the Assistant City Attorney I role advertised on www.cityofkeywest-of.gov. I recently relocated to Key West and believe I have the requisite knowledge, skills and abilities to contribute meaningfully to the work of your office in a long-term capacity.

Following law school in 2005, I moved from Minnesota to Florida where I joined Lawyers Title Insurance Corporation's title claims department and passed the Florida Bar. While at Lawyers Title, I was lucky enough to work with an amazing mentor who taught me to fuse an attention to detail with a pursuit of work product excellence. This foundation continues to support my professional trajectory to this day.

After three years at Lawyers Title, I spent the next eight years litigating real property disputes throughout Florida for several real estate firms. Five of those years were with McCalla Raymer, as a founding member of the firm's first Florida office, where I established and managed the title litigation department.

By the time I joined FBC Mortgage in 2016 as its associate general counsel, I had cultivated unique and diverse legal experiences, which allowed a seamless integration and ultimately evolved into functional management over a wide spectrum of departments, committees and matters, including all labor and employment matters, regulatory compliance, licensing, real estate, and all company litigation.

Most recently, I was confirmed eligible to sit for the Florida Bar Real Estate Board Certification Exam on May 11, 2023.

My commitment to learning has been influential throughout my career and I truly believe every day is a school day. I would welcome the opportunity to learn more about the role at your convenience. I have enclosed my resume along with the General Application and Job Description.

Thank you in advance for your time and consideration. I look forward to hearing from you.

Respectfully,

Eric Nordback

Florida Bar #29310
