Subject: Sustainability Advisory Board Statement of Opposition of Increased Submerged
Land Lease at Pier B

Introduction

The Sustainability Advisory Board submits their “Sustainability Advisory Board Statement of Opposition of Increased Submerged Land Lease at Pier B” which passed unanimously.

History

On Thursday, May 11th the Key West Sustainability Advisory Board convened their regularly scheduled meeting. Six regular Board members and two high school Board members were in attendance, only Board Member Lightner was absent. During agenda setting, Vice Chair Miller proposed a new agenda item to which the board accepted unanimously.

The agenda item was to make a statement of opposition from the Sustainability Advisory Board to the City Commission regarding the Commission agenda item with regard to the Pier B Development request to modify its existing submerged lands lease.

The final language of the action item was “Sustainability Advisory Board Statement of Opposition of Increased Submerged Land Lease at Pier B” and passed unanimously. As requested, this advisory vote is now an attachment to the agenda item.
