### **Introduction**

This measure proposes to amend Chapter 6, titled Amusements and Entertainment, Article I Street Performers and Street Artists and Article III, titled Entertainment and Animal-Driven Vehicles; Entertainment Equipment, Section 6-117 Animal-Driven Entertainment Vehicles Prohibited, Section 6-146, Permit Required, Section 6-152 (c) Renewal. To disallow person(s) to apply for a Street Performer or Street Artist permit that have been convicted of a felony against a person or a property within ten years preceding the date of the application. To allow Code Compliance to issue a Notice of Code Violation as an option to arrest.

### **Background**

While researching the penalties for violating unlawful deposits of oil, grease or other waste and obstructions it was discovered that Code Compliance could not cite the violator due to the ordinances stating violations shall be punishable as provided in section 1-15. Upon researching Volume One of the City's Code of Ordinances it was discovered that Code Compliance could not issue a notice of code violation in several sections of the Entertainment and Animal-Driven Vehicles ordinance due to the ordinances stating violations shall be punishable as provided in section 1-15. City Management as well as the Legal Department determined that those ordinances should be amended to allow both Code

Compliance and KWPD to cite violators. It was also discovered that in the Street Performer Street Artist ordinance there was no provision to prevent a person with a felony conviction from applying to obtain a permit to conduct sales and interactions with the public on City right of ways. The City has established in other ordinances the felony conviction language.

The first reading of this proposed amendment was at the May 16, 2023, City Commission meeting. During this meeting the City Commission made the following comments; Commissioner Kaufman requested a narrower definition of felonies for 2nd reading; Commissioner Carey suggested the time frame for a felony conviction be reduced from 10 years to 5 years; Mayor Johnston requested the conviction time frame be in line with other City ordinances.

**Sec. 2-871. - Background check of persons awarded lease of city-owned property, concession or franchise.**

(a) The police department shall promptly conduct a background check, using appropriate law enforcement procedures, of all persons who are being recommended for: (1) The award of a lease of city-owned property with annual rentals that will exceed \$100,000.00 and all extensions or renewals thereof; (2) The award of a sublease of city-owned property, where the master lease with the city has a total annual rental in excess of \$100,000.00 and all extensions or renewals thereof; and (3) The award of a concession or franchise agreement by the city, regardless of amount, and all extensions or renewals thereof. (b) If any such person is found by the police department to have been convicted of a felony within the past five years or found to have been convicted of a public entity crime and is then listed on the convicted vendor list, as established in F.S. § 287.133, the proposed lease or sublease, concession or franchise agreement or any extension or renewal thereof with such person shall not be executed by the city or, if it has been executed, it shall be subject to revocation and be voidable by the city commission after notice and hearing. Nothing in this section is intended to limit the application of F.S. § 287.133 as it relates to other city contracts not covered by this section.

(b) All such violations may be enforced by notice to appear in the county court as provided by F.S. § 901.28 or for a threat to public health, safety and welfare by arrest as provided in F.S. § 901.15 (1), except where prohibited by law.
