## Bike Parking

Public map / Request more: <http://bit.ly/kwracks>

- 30 bike parking spaces installed near Key West High School
- Community Services replaced certain U's-on-Rails bicycle racks removed to provide more space for October and November parade events.

## Infrastructure Type Project Updates

Updates for state projects found here: <https://www.fdotmiamidade.com/current-projects/monroe-county.html>

- **Southard St** construction completed, Status of bicycle facility in flux pending amendment to parking contract with Monroe County
- **United St** Construction underway, initial asphalt pour completed, expected completion *Spring 2024*
- **Final Mile** Construction underway with most facilities installed. Seeking additional participation and concurrence with final elements. On City Commission agenda Dec 14th. Expected completion late 2023 / *early 2024*.
- **S Roosevelt Blvd** Construction underway with shared use path detours until promenade construction is completed. Target completion date Spring 2025
- **Staples Ave Pedestrian Bridge** <http://bit.ly/staplesbridge>
  - Use caution traversing the temporary bridge
  - Foundation elements under construction
  - Target completion early 2024
- **Caroline St** bicycle infrastructure finalizing design and awaiting construction phase
- **South St** bicycle infrastructure is in vendor design. TDC grant for Southernmost Point enhanced improvements.
- **Wickers** 60% design received.
- **North Roosevelt Blvd at Palm Ave** ([434684-4-52-01](https://www.fdotmiamidade.com/434684-4-52-01)) is expected to be complete late 2024

- **North Roosevelt Blvd** (FM# 446011-1): Safety Audit completed and a reduction of three crashes per year can be achieved by recommendations: access management, driveway width, LPI, etc. Expected 2025
- **Salt Ponds Trails** Consultant prepared a draft environmental assessment for Smathers Connector. Feasibility for remaining connectors are pending.
