*NOTE: A Tree Representation Authorization form must accompany this application if someone other than the owner will be representing the owner at a Tree Commission meeting or picking up an issued Tree Permit.

As of August 1, 2022, application fees are required. Click here for the fee schedule.

Sketch location of tree (aerial view) including cross/corner street. Please identify tree(s) on the property regarding this application with colored tape or ribbon.

An application was submitted to remove 77 sf of mangroves from the back of this property. Heavy erosion has caused foundation settling and sinking. The erosion has caused a large portion of the patio around the pool to tilt towards the canal. The pool is likely leaking water due to the erosion. The erosion is severe and needs significant repair and restoration. Removing 77 square feet of mangroves is minimal considering 168 square feet of mangroves are to remain. Riviera and Sunrise Dr. have over a mile of seawalls to protect properties from coastal erosion. Of all the residences on this canal, this property sits directly across from the Riviera Canal boat ramp. This property should be given special consideration due to the heavy prop wash from boats using the boat ramp. We humbly ask for your consideration in this unique case.

Tree Representation Authorization

Attendance at the Tree Commission meeting on the date when your request will be discussed is necessary in order to expedite the resolution of your application. This **Tree Representation Authorization form** must accompany the application if the property owner is unable to attend or will have someone else pick up the Tree Permit once issued. Please Clearly Print All Information unless indicated otherwise.
