NARRATIVE

-- Kevin Ray Lucas Arrest Narrative:
On 4/20/2025, at approximately 1727 hours, I (Ofc Betz) was on the 500 block of Duval Street dealing with a car parked in the roadway, when I was flagged down by a white female, later identified as Kellie Clark, who advised a white male had just slapped a female in the face in Sloppy Joe`s bar.

Clark pointed me out to a male and female, who were just outside Sloppy Joe`s, next to a Jeep.

I approached the couple, and identified myself, while dressed in my KWPD Police Bike Patrol Uniform, with an embroidered badge on the chest and the word "POLICE" on the chest above my name tag and across the back. The uniform also had KWPD Police patches on each upper sleeve.

I explained to the two that I received a complaint that the male subject, later identified as Kevin Ray Lucas, had slapped a female. I explained that I was conducting a criminal investigation and asked for identification from both of them.

As I spoke to Lucas, he appeared to be highly intoxicated and was confrontational the entire time. Lucas was making statements saying, "You Don`t know you`re messing with" and "You don`t know who I am" as I tried to determine what had happened. I was able to obtain Lucas` identification from another female, later identified as Jennifer Pope Hart, who was later determined to be the female who was slapped.

Due to Lucas` state of impairment and defiant attitude to me as I tried to determine who, if anyone was struck and the relationship they might have, I decided to detain him in handcuffs.

I informed Lucas he was being detained and attempted to place Lucas into handcuffs. Lucas tensed up and tried to defeat my efforts to place his hands behind his back. I was able to get the handcuff on Lucas` right wrist, but struggled to gain control of his left, which he pulled forward toward his chest. As I manipulated his left hand, Lucas mule kicked me with his right leg, just missing my groin area and striking the right inner thigh. I was able to get Lucas handcuffed behind the back.

Since Lucas did resist arrest and did commit a battery on me by kicking me, he was under arrest. I began to walk Lucas to my patrol car. As we walked down Greene St, Lucas used a leg sweep to trip me to the ground. I keep control of Lucas by the left arm, as he followed me to the ground. Once on the ground, I gained control of Lucas and gave one strike to his right shoulder to try to gain compliance and prevent him from further struggle. I kept Lucas pinned on the ground as I waited for my backup to arrive.

Ofc Thornborough, who was working an off-duty detail was first to arrive on scene. I instructed Ofc Thornborough to assist me in getting Lucas to my patrol car. Once at my patrol car, as we attempted to check him for weapons/contraband, Lucas tried to head butt me with his head then tried to kick at Ofc Thornborough. As we positioned Lucas in the car, he kicked Ofc Thornborough in the stomach once.

We were able to get Lucas seated in the car, but he pushed against us as we tried to get him seated. I pushed Lucas into the car further, so I could get his feet into the foot well. When I did, Lucas began kicking, striking me in the torso and side of the head. At one point Lucas had his legs around me and I gave him two or three distractionary strikes to the shoulder area. Ofc Thornborough went to the other side of the car and we were able to sit Lucas up and secure him into a seat belt.

Ofc Stevens, Ofc Lashley and Ofc Howell arrived on scene and gathered witness information for those that saw the initial battery I was investigating and Lucas` actions as I tried to detain him.

I was able to speak with the initial battery victim, Jennifer Pope Hart, who did admit to Lucas slapping her in the face. She said after he slapped her, she just went to the bathroom, to freshen up and did not think anyone saw it. She said when she came out, she saw us talking. Hart said Lucas and her had been dating for only three months and they do not live together. She did say he had struck her before, but stated she did not want to press charges.

Ofc Howell went to Sloppy Joe`s and obtained the video of the incident.

Due to Hart`s statements, the battery did not qualify under domestic violence as defined under FSS 741.28. I verified again that Hart did not wish to pursue charges. She said she did not.

As we prepared to leave, Lucas began to spit into the car. I stopped the car and donned a spit hood over his head to prevent him from spitting all over the car.

While enroute to the jail, Lucas made numerous threats to find my wife and do harm to her as well as find me and do harm to me as well once he got out, unless I let him go. The threats and statements were recorded on my in car video system.

My BWC was on during the confrontation, but had fallen off twice during the altercation with Lucas.

Since Lucas did resist my efforts to lawfully detain him while trying to conduct a criminal investigation and while doing so, did mule kick me near my groin area, Lucas was in violation of FSS 843.01, RESISTING WITH VIOLENCE.

Since Lucas did intentionally kick my legs, which caused me to trip and did intentionally kick me as we tried to place him in the police car, Lucas was in violation of FSS 784.07, Battery on a LEO.

Since Lucas intend to and kick Ofc Thornborough in the stomach as he assisted me in placing him in the back of my patrol car, Lucas was in violation of a second count of FSS 784.07, BATTERY ON A LEO.

Since Lucas did make threatening statements to me about causing harm to myself and my family if I did not let him go several times during the encounter, Lucas was in violation of FSS 838.021-3B, CORRUPT LEO BY THREAT OF VIOLENCE.

I transported Lucas to MCDC. Ofc Howell and Lashley assisted in escorting Lucas into the jail.

There is BWC for this case and Axon Fleet video 5320 for this case.

Ofc Thornborough did not receieve injuries from the encounter. Lucas had a minor scrap on the leg. I suffered a small laceration to the right ear and an abrasion to the left knee

On April 20, 2025, Ofc Betz announced over Channel 1 that he had been flagged down in reference to a battery that had occurred at the intersection of Greene St and Duval St. As I was driving to assist him, he advised that he had a subject detained. Shortly after, he asked for back-up to respond urgently. I proceeded with my emergency lights and siren and, upon arrival, I saw Ofc Betz and Ofc Thornbrugh on the ground on the 500 block of Greene St, in front of Sloppy Joe`s, apparently struggling with a white male subject. As I pulled up, they stood the subject up and the subject was actively resisting. He was screaming profanity and, as they held him against Ofc Betz` patrol car, he continued to struggle by twisting his body. Ofc Thorbrugh searched him and opened the right rear door of Ofc Betz` police car. The subject continued to actively resist their efforts to place him in the car and as they forced him, he started kicking at Ofc Betz. Ofc Thornbrugh ran to the left side of the car and tried pulled the suspect into the car. As he did so, the suspect was furiously kicking and he appeared to have kicked Ofc Betz in the head. Ofc Betz forced his body onto the suspect and the suspect put his feet over Ofc Betz` shoulders. I grabbed the suspect`s feet in an attempt to stop him from kicking Ofc Betz further. Ofc Betz was able to extract himself and pull back as the suspect continued to struggle and kick. Ofcs Betz and Thornbrugh managed to sit the suspect up and seatbelt him in before shutting the door.

Ofcs Howell and Lashley arrived and I asked if they had a hobble restraint and Ofc Howell went to retrieve one. He advised that he did not have one, so I returned to my patrol car to retrieve mine. When I offered it to Ofc Betz, he declined, reasoning that the risk of opening the door again was too great.

I saw that Ofc Betz had several abrasions to his legs and arms. As Ofc Betz was driving away, he advised that he needed to stop in order to apply a spit-hood to the subject as the arrestee was actively spitting in the car. Ofcs Howell and Lashley assisted him in applying it and they followed Ofc Betz to the jail.

My in-car video, in addition to my bodyworn camera (BWC), were both activated and recording during the investigation and the footage has been uploaded to the evidence server.

On Sunday 04/20/2025 at approximately 1727 hours, Ofc. Howell and I (Ofc. Lashley) were patrolling the area of Caroline St./ Grinell St whenever I heard Ofc. F. Betz speak over the radio saying, "I have one detained".

I started driving toward Ofc. Betz location. Ofc. Betz spoke again over the radio saying he took him to the ground, indicating that the subject was resisting Ofc. Betz. I immediately activated my patrol vehicle`s lights and sirens and traveled to the location of Greene St./Duval St.

On arrival, I saw Ofc. T. Stevens and Ofc. Betz placing the male subject inside of the patrol vehicle. The male subject was screaming and squirming around inside of Ofc. Betz patrol vehicle. I observed Ofc. Betz had an injury on his right knee that was bleeding and a scrape on his ear.

I interviewed two witnesses who stated they saw the male subject (later identified as Kevin Ray Lucas) fighting with Ofc. Betz.
One of the witnesses, Stephen Lesage, told me that he saw Lucas kick Ofc. Betz as he placed Lucas in handcuff restraints. Lesage stated as Ofc. Betz was escorting Lucas, Lucas tripped Ofc. Betz and Ofc. Betz regained control of Lucas and got on top of him.
The other witness, Darrel Clark stated that he also saw Lucas kick and trip Ofc. Betz.
I followed Ofc. Betz on the way to Monroe County Detention Center and assisted Ofc. Betz in escorting Lucas inside the jail.

AXON BWC 4423 was activated and uploaded to Evidence.com

On Sunday 04/20/2025, at approximately 1727 hours, Probationary Ofc. Lashley and I self-initiated backup for Ofc. Betz, near the intersection of Greene Street and Duval Street. We believed that Ofc. Betz was involved in a physical altercation with a suspect who was actively resisting arrest.

As we arrived to the scene, I witnessed Ofc. Stevens and Ofc. Betz placing the male subject who was later identified by his North Carolina driver`s license as Kevin R. Lucas (DOB: 08/06/1986, Arrestee), in the rear seat of Ofc. Betz`s patrol vehicle. The male subject was screaming obscenities and aggressively kicking Ofc. Stevens and Ofc. Betz. After Lucas was eventually subdued, I realized that Ofc. Betz had an abrasion on his right knee that was approximately two inches in diameter and was bleeding as well as a minor abrasion on his left ear.

Probationary Ofc. Lashley immediately began interviewing witnesses. I inquired with the day manager of Sloppy Joe`s Bar, Charles Fraga, if he had access to the security camera facing Greene Street. Fraga agreed to check and eventually realized that he captured the entire encounter, including when Lucas purposefully tripped Ofc. Betz while Ofc. Betz was escorting him to the patrol vehicle.

Within the security camera footage, that has no audio, Ofc. Betz can be seen speaking to Lucas and asking him questions. Lucas appears to be agitated. At one point, as Ofc. Betz attempts to place Lucas in handcuffs, Lucas can be seen actively resisting and pulling his hands and arms away from Ofc. Betz. Within the security camera footage, Lucas can be seen attempting to kick Ofc. Betz at least once as Ofc. Betz was attempting to place Lucas in handcuffs. After approximately thirty seconds or so of struggling with Ofc. Betz, Lucas is finally secured in handcuffs and can be seen actively pulling away from Ofc. Betz. Lucas can be seen attempting to place his left foot in front of Ofc. Betz at least once, in an attempt to trip Ofc. Betz as he is being escorted to the patrol vehicle. After a few steps, Lucas can be seen purposefully placing his left leg in front of Ofc. Betz, causing Ofc. Betz to fall to the ground while still maintaining control of Lucas and pulling him down and eventually laying on top of him. While on the ground, Lucas can be seen attempting to headbutt Ofc. Betz. Due to Lucas` actions and active resistance, Ofc. Betz can be seen striking Lucas in the right shoulder with his right elbow. At this point, the view is compromised by several passersby who run to assist Ofc. Betz.

My BWC was not activated for the encounter with Fraga. I uploaded a copy of the security camera footage to Evidence.com.

At this time, nothing further.

Narrative

NARRATIVE OF INCIDENT

Officer Betz was investigating a battery incident at the Greene Street and Duval Street intersection. During the investigation, Officer Betz informed the suspect he was being detained and attempted to place him into handcuffs. The suspect tensed up and began to resist, kicking Officer Betz in the groin area.

Officer Betz handcuffed the suspect and started to walk him to his patrol vehicle. While walking on Greene Street, the suspect used a leg sweep and tripped Officer Betz, causing them to fall to the ground. Officer Betz pinned the suspect to the ground to gain control. Officer Betz delivered a hammer fist strike to the suspect's shoulder to prevent him from resisting. Officer Thornbrugh arrived shortly thereafter and assisted in securing the suspect.

While being placed in the rear of the patrol vehicle, the suspect continued to resist and kicked Officer Betz multiple times, striking him in the head and upper torso. To regain control, Officer Betz delivered two hammer-fist strikes to the suspect.

I spoke to the suspect, who was identified as Kevin Lucas. I asked Lucas if he was injured, and he said no. I did notice a minor round abrasion on his right knee. Lucas was still uncooperative, cursing and yelling, and attempted to get out of the vehicle.

Officer Lashley and Officer Stevens interviewed two witnesses at the scene and took their statements.
