RE: Requested reappointment to the Key West Housing Authority Board of Commissioners

Dear Mayor Henriquez:

I respectfully request reappointment to the Key West Housing Authority Board of Commissioners.

My tenure on the board began in 2018 and I have thoroughly enjoyed serving with the other board members. We are entrusted with maintaining and creating affordable housing solutions for this community and I take that assignment very seriously. My decades of experience as a housing authority employee brings a unique perspective to the group and I am blessed to be able to provide that. In addition, I am the sole public housing resident that serves on the board. This also allows me to have a distinctive viewpoint on matters of the board and an enhanced opportunity to build relationships with the very clients we serve.

On a more personal note, past and present, I have served on several boards, but the KWHA board is particularly special to me. My father, Mr. Lang B. Milian, was the first African American appointed to the board and I am proud to say that he helped with the development of the Senior Citizen Plaza, home to nearly 200 low-income elderly families. I am honored to continue his legacy of community service with my own literal seat at the proverbial table of the KWHA.

Sincerely,

Annette Mobley
