Waste Diversion Report June & July 2025

JUNE

- Create Worm Bin (vermicompost) instructions and sample bin
- Truman's Little Whitehouse Fruit Festival 6/14
- Compost demo at event 6/14
- Create Reminder Flyer for toner cartridges (inhouse)
- Attend Harry S Truman Little Whitehouse Fruit Festival
- Site visit to Montessori about programs and composting
- Initiate centralized waste and recycling in Utilities and Engineering Departments
- Attend SAB meeting
- Create 11X17 flyers for commercial recycling (multilingual).
- Create composting guide and worm bin "how to" for events and website
- Attend Recycle Florida Today Conference in Daytona 6/23-6/25
- Continue work with Melody on school initiative reuse vs. single use
- Work on Skip the Stuff campaign to deploy in July

July

- Create Plastic Free July flyer in house and online.
- Create Back to School flyer
- Skip the Stuff initiative work with Monroe County, Islamorada, and TDC, to roll out Key's wide campaign. Developed numerous flyers, placemat, table tents, buttons etc.
- Seek organizations to support Skip the Stuff campaign (21 organizations back the initiative)
- Seek removal for all recycle bins on Duval. Contamination too high. (Implemented)
- Site visits to businesses in KW to gather participants in the skip the stuff campaign
- Contact St Augustine Solid Waste for insight on Big Belly bins
- Deliver composter to Montessori across the street
- Edit and submit draft Waste/Recycle pages for the Special Events Application
- Create Skip the Stuff guidelines in Spanish and Haitian Creole
