Subject: Partnership Opportunity – Supporting Kindergarten Readiness in Monroe County

To Whom It May Concern:

The Monroe County School District (MCSD) Pre-K In the Keys program is excited to announce a new community initiative designed to celebrate and support families as their children take their first big step into Pre-K or Kindergarten! Together with Lakeshore Learning, we are developing a custom MCSD Board Game that will be gifted to every family registering a child for Kindergarten in the upcoming school year.

This fun and educational board game will feature anti-bullying, bicycle safety, neighborhood safety, and crime prevention techniques as well as early learning activities, and resources for families—all centered around the joy of starting school. Our goal is to strengthen the connection between home, school, police, and community while promoting school readiness in an engaging way.

We are inviting valued community partners like **KWPD** to join us in making this project possible. By sponsoring the board game, your business will be recognized as a supporter of early childhood education and will gain meaningful visibility in homes across the county.

Sponsorship Opportunities:

- **$500 Sponsorship:** Includes logo displayed on a game board square
- **$2,500 Sponsorship:** Includes a *small business logo* displayed on the game board.
- **$5,000 Sponsorship:** Includes a *larger business logo* featured prominently on the game board.

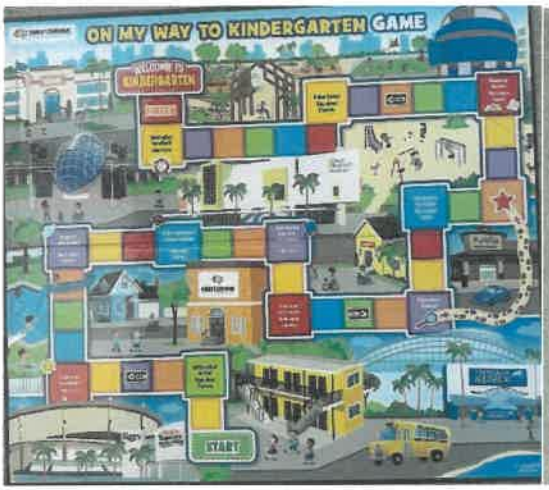
All sponsors will also be recognized on our district website and in media communications promoting the Kindergarten registration campaign.

Your partnership will directly contribute to providing each Pre-Kindergarten and Kindergarten family with a free, high-quality board game that fosters learning, family engagement, and community pride.

We would love to include **you** among our founding partners for this initiative. Please feel free to contact me at 305-293-1400 ext. 53385 or 305-747-6534 or Jennifer.walker@keysschools.com to discuss sponsorship details or answer any questions.

Thank you for your continued support of our students, families, and schools. Together, we can help every child in Monroe County start their educational journey with excitement and confidence.

Warm regards,

Jennifer Walker
Head Start/VPK Director
Monroe County School District


Below is an example of the gameboard. Each set includes cards containing essential Kindergarten Readiness skills in Math and Literacy. Due date for logos is January 21, 2026.
