Dear Mr. McAlearney,

American Cruise Lines was thrilled to solidify our partnership with the city in October 2024 with the approval of our Dock Use Agreement. It was our pleasure to host both the *American Legend* and *American Pioneer* christening ceremonies in Key West with Mayor Henriquez as our first two-time godmother.

Per section 6 of our Mallory Square Dock Use Agreement with the city, American is required to notify the city at least six (6) months prior to the expiration of the initial term of its intent to exercise the three (3) year option.

Please allow this letter to serve as notice of our intent to exercise the option and place on the City Commission meeting agenda on February 11th, 2026.

We look forward to the continued partnership and support.

Sincerely,

Eric Dussault
Director of Port Development & Construction
