

## 2017 Mechanical and Design Services - By System Type

## **Recirculation Systems:**

Design Services:	
Up to 250 gpm total project flow rate:	\$6,800.00
Up to 500 gpm total project flow rate:	\$7,400.00
Up to 750 gpm total project flow rate:	\$7,800.00
Up to 1,000 gpm total project flow rate:	\$8,800.00
Mechanical Components:	
Up to 250 gpm total project flow rate:	\$98,450.00
Up to 500 gpm total project flow rate:	\$103,800.00
Up to 750 gpm total project flow rate:	\$134,750.00
Up to 1,000 gpm total project flow rate:	\$173,170.00
Optional Equipment and Services:	
UV Sanitization System up to 116 gpm:	\$16,300.00
UV Sanitization System up to 254 gpm:	\$18,800.00
UV Sanitization System up to 396 gpm:	\$25,900.00
PE Stamp Drawings:	\$4,500.00
Above Grade Mechanical Enclosure up to 500 gpm:	\$33,300.00
Below Grade Mechanical Vault:	\$41,450.00
Site Visit:	\$5,550.00
Drain Away Systems:

## <u>Notes:</u>

- pricing does not include freight or taxes
- pricing includes ARC's standard system
- pricing is per each.
