RE: Administrative Hearing, 1210-1212 Packer Street

On January 23, 2017, I received an email from a property owner stating that his neighbor had cut a large mahogany tree on his property. The tree is located at 1212 Packer Street and is owned by Mr. Greenberg. Mr. Sforza, owner of 1210 Packer Street had the tree cut.

Large diameter branches were cut from the mahogany tree without benefit of a heavy maintenance trimming permit. The work has misshaped the canopy of the tree.

Canopy removed from
this side of tree
