

## HOURS OF OPERATION FOR CONCH TOUR TRAIN & OLD TOWN TROLLEY TOURS OF KEY WEST

### Hours of Operation

We are a demand based business with tours departing at least every 30 minutes from 8:30 am to 5:30 am. When business levels demand, the frequency increases. We are contracted to operate shuttles for the Mole Pier when there is a ship on that pier. The City of Key West port office determines the hours of the shuttles.
