### MANUFACTURER VEHICLE HIGHLIGHTS

The Tahoe PPV remains the only full-size, body-on-frame, pursuit-rated cruiser in the market. It provides excellent officer comfort, visibility, cargo capacity, up-fit capability, and true utility.

Tahoe interior showcases office-like ergonomics, innovative technologies, and a host of safety features to keep officers safe and connected behind the wheel. Standard are a Rear Vision Camera with 8" Display and backup sensors. New 8 inch MyLink infotainment radio with Bluetooth<sup>1</sup> cell phone connectivity and steering wheel mounted controls are also standard.

Also new is the optional **Enhanced Driver Alert Package** that includes **Forward Collision Alert**, **Low Speed Forward Automatic Braking**, **Lane Keep Assist** and exclusive **Safety Alert Seat**.

Just like before, the Tahoe PPV offers full pursuit capability with tremendous power, speed, braking, and agility. The 5.3L EcoTec3 V8 under the hood features direct injection, variable valve timing, and Active Fuel Management. It produces 355 horsepower (an increase of 35 over the 2014 model) and 383 lb-ft of torque (an increase of 48 over the 2014 model), all while yielding better gas mileage than the engine it replaced (up to 23 highway mpg). Also standard are dual batteries to handle the electrical draw of emergency equipment, and a tow package capable of up to 4,000 lbs. of tow capacity<sup>2</sup>.

Whether it's high-speed emergency vehicle operations, city patrol, HAZMAT, K-9 unit, medical first responder, or tactical operations, the 2018 Tahoe PPV reaffirms that the SUV is thriving and ready for duty.

<sup>1</sup> Go to [gmttotalconnect.com](http://gmttotalconnect.com) to find out which phones are compatible with the vehicle.

<sup>2</sup> Maximum trailer weight ratings are calculated assuming a properly equipped base vehicle, except for any option(s) necessary to achieve the rating, plus driver. The weight of other optional equipment, passengers, and cargo will reduce the maximum trailer weight your vehicle can tow.
