

JUDY A. LAKIN
Key West, Florida
Applicant for Civil Service Board

Thank you for considering me as an applicant for the Civil Service Board position in Key West.

My husband, Bob, and I have lived in Key West since 1993, moving here from Seattle, WA. Bob is retired, but since I have never learned to spell the word I am still employed in Key West by Michael Halpern, PA. I am Michael's office administrator, property manager and administrator for the Michelle Keegan Halpern Foundation.

Before coming to Key West, I worked for Pacific Northwest Bell (PNB)/US WEST. Some of the positions I held in that company were, Operator Services Manager, Construction Foreman in the outside plant department and my last position was as a Project Manager during the re-write of the accounting system due to the 1982 – 1983 break-up of AT&T, known as Divestiture.

I have worked as a volunteer, Loaned Executive from PNB, to United Way.

Involved as a volunteer with the Telephone Pioneers Organization.

Involved with EEO and Multicultural work at PNB

Volunteered as a Career Specialist at Lake Washington VocTec in Kirkland, WA in their Admissions and Guidance Dept.

Board member for the Cancer Foundation of the Florida Keys.

I have been married for 57 years, and yes, to the same man. We have three daughters, six grandchildren and 10 great grand babies.

Again I would like to thank you for considering me for this position on the Civil Service Board.
