June 26<sup>th</sup> 2018

Re: 635 United Street

Dear Kelly Perkins:

We are on the agenda for the June 26<sup>th</sup> 2018 meeting; however, the contractor is a fireman and is on duty, which means he will not be able to attend. Unfortunately, my husband and I are not in the best of health at the moment and cannot attend at this time either. We are asking if you would be kind enough as to postpone our case till the next meeting on July 24<sup>th</sup> 2018. This date will work for us. We thank you in advance for your consideration regarding this matter.

Sincerely,

Patricia Herce
